A Chance to Learn the Secrets of the Ancients Jan 29 2021 It was Shirley. She was completely pale, her face a blank mask. She was sitting down in the chair behind my desk at the windows and didn't look at me when I came in from the massage room. I looked at her for a moment then quietly asked, "Shirley, please tell me what's going on." After three or four seconds of no response, I was going to say something else when Shirley slowly looked up. She didn't say anything but

just looked at me. As I looked at her I wasn't sure what to make of the look on her face. Shirley's mouth opened but nothing came out of it at first. Then she said, "We are under attack from aliens." After a moment I asked, "Like from outer space aliens, Shirley?" She nodded. I listened quietly and didn't hear any explosions or sirens. Beside Shirley on the small desk was a radio. I stepped over and turned it on. Shirley had heard correctly. First-time author Richard H. Wildey is a massage therapist and energy practitioner in Charleston, West Virginia. Peanuts and Philosophy Sep 05 2021 In Peanuts and Philosophy, twenty philosophers, from a diverse range of perspectives, look at different aspects of the Peanuts canon. How can the thoughts of children, who have yet to become grown-up, help us to become more grown up ourselves? Do we get good results from believing in something like the Great Pumpkin, even though we're disappointed every time? What can Linus's reactions to the leukemia of his friend Janice tell us about the stages of grief? Why don't we settle what's right and what's wrong by the simple method of asking Lucy? Is true happiness attainable without a warm puppy? Do some people's kites have a natural affinity for trees? Is Sally an anarchist, a nihilist, or just a contrarian? Does Linus's reliance on his blanket help him or hurt him? Is Charlie Brown's philosophy of life pathetic or inspirational? Other topics include: how the way children think carries general lessons about transcending our limitations; the Utopian quest as illustrated by Charlie's devotion to the Little Red-Haired Girl; Snoopy's Red Baron and history as selective memory; the Head Beagle as Big Brother. And, as we would expect, Lucy's repeated cruel removal of Charlie's football has several philosophical applications.
