This packet is usable by the teacher the minute the class begins. Students will enjoy reading the history of Ramses' temple at Abu Simbel and the massive project that involved cutting and moving it to keep it safe. The packet also includes cross-curricular worksheets and a section for the teacher with additional teaching ideas. It can be used as a complete unit or as a break between lessons. Contains scores of practical management techniques plus more than 180 reproducible student activities for teaching reading and writing skills through a selection of great literature covering various genres, themes, and cultures. These motivating take-home practice pages save instructional time and ensure that students acquire 200+ new vocabulary words they'll encounter in their academic reading. Designed for independent practice, each reproducible packet presents 10 high-utility words in a fun-filled theme, such as Olympic Gold, Rainforest Expedition, and Going Green. Students learn the words by using them repeatedly in the word games and activities included in the packet. Teachers can use the packets flexibly and check students' work over the course of one or more weeks. For use with Grades 3-5. This packet is usable by the teacher the minute the class begins. In the text, Ethan and Amanda need to write a paper about their future career, which leads to a conversation about submersibles and underwater exploration. As they review what they learned in class, students reading the story will learn, too. The packet also includes cross-curricular worksheets and a section for the teacher with additional teaching ideas. It can be used as a complete unit or as a break between lessons. Build preschoolers' core knowledge of colors, counting, following directions, reading and more with these crafts and activities! Clip art and worksheets are included for fun around Christmas! This packet is usable by the teacher the minute the class begins. The article teaches students the history of the Olympic Games, reaching back to 776 B.C. The packet also includes cross-curricular worksheets to go along with the article. It can be used as a complete unit or as a break between lessons.
