Gnome on the Range: Otherworld Outlaws 1 (a Weird West Celtic Mythology Adventure) Jan 16 2020 The West wasn't won with grit and guns. It took a sawbones with fae blood to git 'er done. Book 1 in the Otherworld Outlaw series, an action-packed romp through the Wild West, loaded with living myths, dark magic, and bloodthirsty monsters aplenty. Lula Cullen isn't sweet and gentle, and she's got no time for anyone's guff. Esteemed Bostonian surgeon, she's a woman with a career in a time when the very idea is laughed at. And nothing, not even her fiancé and his Brahmin family's traditional values, is going to get in her way. Until... Her ambitions are derailed like a runaway steam engine when her uncle and only living relative is killed in a freak lightning accident. His dying words—"Find Toxicore Darkheart. He's the only one who can protect you now"—launch Lula into an ill-conceived and unchaperoned trip to Abilene, Kansas, where hanged men dangle for days for minor crimes and only married women are considered respectable. Mistaken for a soiled dove the minute she hits the frontier, Lula decides to hell with respectability and starts swinging her uncle's shillelagh at anyone who asks for it. And the West sure has a lot of folks asking for it. Upon finding Darkheart, whose peculiarities go well beyond his odd name, she unearths long-buried family secrets tied to her bloodline, secrets that ultimately led to her uncle's murder and the disappearance of her parents when she was an infant. And worse, much worse, she discovers that though she's the one hunting for the truth—she's also being hunted. Caught between a werewolf, a necromancer, and two fae queens of the Tuatha Dé Danann, Lula has to trade her scalpel for a Colt .45 and do it fast. Because they're not just after her, they're after her blood. Don't miss any of the magic-packed Otherworld Outlaws series DEADWOOD OR ALIVE • HEX 'EM HIGH (Coming Later!) **Top Secret! What 100 Brave Critics Say about Beautiful Outlaw** Feb 09 2022 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Beautiful Outlaw: Experiencing the Playful, Disruptive, Extravagant Personality of Jesus." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

**Mariana the Moon Girl: the Secret Fate of Butch Cassidy** Dec 15 2019 There are only three rules in the Museum of Human History: 1. Never tell anyone about the museum, or any of its secrets. 2. Follow Mr. Steel's instructions with exactness. 3. Never lie to Mr. Steel. In all the time that eleven-year-old Mariana has lived in the museum and hunted for the superpowered artifacts of ancient American Legends, she has strictly followed all of the rules. She knows that if she doesn't, Mr. Steel, the mysterious museum curator, will banish her. But the day that she stumbles upon a family being attacked by a giant tarantula in the desert ruins of Philadelphia--the same day she finds the ancient bifocals of Benjamin Franklin and becomes best friends with his ghost in the process--she breaks every single rule. The consequences? Miss Murphy, Mr. Steel's oldest enemy, who is hell-bent on destroying the museum, discovers their whereabouts. Their only escape? Finding the boots of Butch Cassidy, which grant their bearer the power of the perfect getaway. Together, Mariana, Mr. Steel, and Benjamin Franklin must walk the path of Butch Cassidy's final days and discover the Legendary outlaw's secret fate. But as the threat of Miss Murphy approaches, will Mariana risk her friends' lives in order to keep her lie a secret?

**Secret Bankside** May 20 2020 On the south bank of the Thames, outside the jurisdiction of the ancient City of London, Bankside has long been known as a hotbed of creativity, dissent and loose living. With its brothels and bear-pits, its prisons and its pubs, the area has inspired the nation's greatest writers - Chaucer, Shakespeare, Dickens, Keats and Blake - and been home to its most famous theatres - the Globe, The Rose, The Old Vic and the National. These same south London streets have given sanctuary to immigrants and refugees, to tradesmen, craftsmen and Thames Watermen, to the workhouse poor and the criminal underclass. Writer, performer and local historian John Constable is well known for his walks around this fascinating area. The eight walks collected here are among his most popular. Packed with social history and local lore, they are witty, insightful and hugely entertaining. Each walk is easy to follow, accompanied by maps and clear directions, and illustrated with period prints and contemporary photographs. Together, they tell the extraordinary and, until recently, largely forgotten story of London's anarchic, irrepressible 'Outlaw Borough'.

**The Outlaw Melodiatic** Mar 30 2021 Four hundred years ago, the lights went out. The snow buried the nuclear desert. All the flowers died. One day, winter began...and it never ended. Jael Jannigan lives during the primitive second ice age. Rejected by her parents because of a rare skin condition, Jael seeks acceptance among the Klifrari -- a rugged clan of mountain people who know the secrets to surviving the endless winters. Desperate to prove herself, Jael ventures into a blizzard where she meets Luca -- a lost Blockade Runner carrying an ancient book of forbidden music. On the dying planet Gravarus, the assassination plot against the queen has failed, and the queen finds herself without an heir. Convinced that an ancient book of human music could save their race, she sends her disgraced sons Aresis and Obsidian to find it. Whichever prince returns the book to Gravarus will win the right to the throne. Forced together by something stronger than fate, Obsidian, Jael, and Luca team up to keep the book from falling into Aresis' cruel hands. As they race across a snow-swept tundra on an old iron steam train, the three companions must overcome their differences and discover the secrets in the ancient music if they hope to save themselves and, perhaps, all of humanity.

**The Beadle Files: Outlaw Secrets** Sep 16 2022 Outlaw Secrets, the third installment of The Beadle Files, finds LC Beadle embroiled in an investigation of the criminal underworld in Chicago. The intrigues begin at a construction site on the northside where the journalist is to meet with an informant but gets a surprise that is the beginning of a

trail of destruction and murder as a hardboiled enforcer goes on a rampage. Meanwhile in Durango, tension develops between CJ Fralick and Katey Rae Wyant, but for Sonny Trego everything is Jake. He's advancing his newspaper career, making plans for the future, and carrying on a long-distance relationship with a college girl. In a remote box canyon north of the city, Yaz Lightfoot is on a spiritual quest as he awaits the arrival of his wife. He chops wood, reminisces, is visited by a nightmare, prays, meditates, and in all his contemplations, a thriving sense of hopeful anticipation swells in his heart. Near Wagon Wheel Gap, Mandy Kilmer experiences a great disappointment. In the throes of a meltdown, she gets encouragement from Bethuelo Weitzel that steels her resolve. With the help of her family she schemes and makes plans to seize and take hold of the bright and hopeful future she's dreamt about since schoolgirl days. In the midst of the violence and maneuvering in Chicago, Jack Whistler, the master of information and proprietor of the Backdoor Vault, tosses out a throwaway remark that defines the web of conspiracy: "I've got a thousand rumors, which one do you want to hear?"

Hell's Angels Jun 01 2021 Not since Hunter Thompson's seminal *Hells Angels: A Strange & Terrible Saga of the Outlaw Motorcycle Gangs* in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties, to its absurd flirtation with the hippie scene, to its current status as one of the most powerful underground organisations in North America, rivalling even the Mafia.

*The Alpha Outlaw* Sep 23 2020 How can an aristocrat—and former highwayman—go on living when everyone thinks he is dead? Baron Christopher 'Kit' Conroy is hiding in Riverside Hall, the grand house situated on the estate belonging to his omega mate, Lord Aquilla 'Quill' Wentworth. The local sheriff, along with the rest of the county, assumes the alpha died just prior to him facing the hangman's noose. Only Quill and two loyal servants know the truth. But the sheriff, who had previously arrested Kit, presents the omega with a proposition. This puts Lord Wentworth in a quandary, one which will place him, his mate and their young son, Bart, in danger. Long-hidden secrets are unlocked as Kit and Quill try to figure out a way forward, while not trusting themselves to reveal the truth to their mate. Looming in the background is Kit's much-loathed half-brother, the earl, who, through a sleight of hand, changed Kit's future. Not once. But twice. Will there be a happy ever after for Kit and Quill or will they live the rest of their lives on the run?

*The Outlaw's Silver* Nov 13 2019 The Hardy boys are given clues which send them in search of the treasure hidden by the Outlaw of the Pine Barrens.

**Secret Capture** Jul 22 2020 Dane I'm tired of killing people... Jagged Peaks Mountain is home to nothing but murders and maniacs. A perfect place for me to live out my retirement. I've been killing for more than three-quarters of my life and I used to be one of the best in the business. Now all I want is to live my life in peace and seclusion. Everyone that lives on this mountain knows the deal either your predator or your prey. When I see a woman fighting for her life only to fall off a cliff part of me wants to leave her there. I should have. Instead, I pick her up and bring her into my world. She's grateful I saved her life, but I wonder how happy she's going to be when I tell her she's never allowed to leave. Freda Christmas Eve was supposed to be the best day of my life. I was set to marry Sam, my long-term boyfriend, at the brand new and exclusive Jagged Peaks resorts. I thought I found my happily ever after but instead, I found my fiancé and my best friend going at it on the altar. My mother tells me this is normal. Sam tells me I'm being selfish. My best friend tells me she's only trying to help. I can't fight them so I run away. Up the mountain and into terrain no one dares go. Jagged Peaks resort may be geared to the elite, rich, and famous but Jagged Peaks mountain is reserved for killers and criminals. I run from bad to worse, only to be rescued by a man who wants no

neighbors. I wake up chained to his bed with no way to call for help and no way to escape. I should hate him, I should be fighting but Dane has taken care of me in ways Sam never has, and his touch set me on fire. Unfortunately, Sam won't take 'it's over' as an answer. I agreed to marry him and he's going to make sure I fulfill that promise no matter what it takes. Even if means hiring an army of killers to do it.

**The Secret Life of Bikers** May 12 2022 From the bestselling author of *The Hard Way Out* and for fans of *Sons of Anarchy* comes a new book that reveals the cold, dark and dirty secrets of the biker underworld Hells Angels, Bandidos, Outlaws, Vagos. What would you do if a biker sat beside you in a bar? What about if a group of leather-and-denim-clad tough guys established a clubhouse in your neighbourhood? Television and movies glamourize bikers as freedom fighters, men who do things their own way, brothers in arms who party all the time and ride Harleys to escape everyday life, while news reports paint them as criminals, responsible for drug trafficking, brutal assaults and murder. That paradox, each side true in its own way, is what makes outlaw motorcycle gangs so very fascinating. What really goes on behind those heavily secured steel clubhouse doors? In *The Secret Life of Bikers*, bestselling crime author Jerry Langton tells the stories of the men who live the biker life as they have never been told before. Langton has interviewed many bikers over the past decade and shares their stories in these pages, often in their own words. He has also interviewed members of law enforcement to hear the biker story from the other side of the ledger. All told, this book offers highly unique and often bloody insights into the everyday workings of motorcycle clubs: the club hierarchy, the clubhouse, the parties, the initiation rituals, the brawls, the bodies and the brotherhood of blood.

*Bionic Outlaw's Baby* Oct 05 2021 Elijah: I thought that I knew it all. Until they turned me into a machine and wanted to use me as a weapon. I found love. But as usual, it was time for me to run. But then I found out I'm carrying his baby. He doesn't even know yet. I need to find him. My dad wants me to get an abortion. Who would marry a single mom? What am I going to do? *Bionic Outlaw's Baby* is a sci-fi secret baby romance novel. There is NO cheating, NO cliffhangers, and a guaranteed happy ending!

*Secret History of the Wild, Wild West* Feb 26 2021 • Offers evidence from Jesse James's secret encoded diaries • Examines Jesse James's close ties with other notorious outlaws, such as Johnny Ringo, Jesse Evans, and Billy the Kid • Shows how Jesse James was related, by blood or marriage, to powerful people in law enforcement and politics, including the elite families behind the Copperheads and the Knights of the Golden Circle organizations Jesse James and many other Old West outlaws were much more than just wild cowboys. As author Daniel Duke--the great-great-grandson of Jesse James--reveals, James and other infamous outlaws were part of a larger organization, centuries old, that has affected U.S. history from the small, rural streets of early America to the highest levels of the nation's government, with continuing influence to this day.

Drawing on his great-great-grandfather's secret diaries, Duke unravels the hidden history of the Wild West to expose the outlaws, politicians, and secret societies who were pulling strings behind the scenes. He examines Jesse James's close ties with other notorious outlaws, such as Johnny Ringo, Jesse Evans, and Billy the Kid, and demonstrates not only how James faked his death and lived out his life under an alias, but how Billy the Kid did the same. He also details how both Jesse James and Billy the Kid continued their work for the nameless organization after their faked deaths. Exploring how Jesse James was related, by blood or marriage, to powerful people in law enforcement and politics, Duke details James's connections to the Baylor family, who founded Baylor University in Waco, Texas, and other elite families who were instrumental in founding and leading the Copperheads and the Knights of the Golden Circle organizations before, during, and after the Civil War. The author shows how Jesse James was connected to former U.S. presidents Lyndon Baines Johnson and Harry S. Truman as well as LBJ's man in the shadows, Texas mob figure Billie Sol Estes. Exposing the secret agenda behind the outlaw gangs of the Wild West, Duke also reveals the stealthy war between the secret organization and its opposition that has been waged in the shadows for centuries.
