TW Index Volume 2 Jun 11 2022 TW Index is a complete and detailed index of everything that has appeared in the SDC Turning Wheels magazine since its inception in 1972. Of greatest importance are the advice items that are indexed by subject (engines, brakes, steering, etc.), model AND year including all individual letters that appear in the Co-Operator column. Historical items are also indexed by subject as well as by the vehicle (model and year) they relate to. If you own, for instance, a 1959 Hawk, TW Index will give you instant access to everything that has been published about your car and much more. Each listing, of course, refers you to the specific issue of "Turning Wheels" and cites the page on which the item begins. Rated "excellent" by Fred Fox and Bob Palma. Volume 1 of Turning Wheels Index includes issues of Turning Wheels from 1972 through 1992 with 10,711 references on 159 pages. Volume 2 of Turning Wheels Index includes 1993 through 2009 with 9,995 references on 158 pages.

Antique American Tractor and Crawler Value Guide, Second Edition Aug 01 2021 Following the rating system generally established among car collectors, this comprehensive value guide provides the values, in five degrees of condition, of antique American farm tractors and crawlers built from the turn of the century through the 1950s. Each chapter is devoted to one of the period's major manufacturers -- John Deere, Farmall, Caterpillar, Oliver, Minneapolis-Moline, Ford, and more -- and the values listed are based on prices actually

realized at auction. In addition, two expert collectors compare their notes on each model, while the expert photography of Randy Leffingwell depicts the tractors and crawlers discussed.

Allard Dec 05 2021 The remarkable story of everything Sydney Herbert Allard achieved in motor sport and motor car manufacture is framed in an up-to-date commentary co-authored by his own son. This is a tribute unswayed by legend, but based on the facts and achievements of his eponymous company. With contributions from the Allard Owners' Club and Allard Register, this book contains painstaking research of Allard history from 1929 to the present day, including previously unpublished material. Just under 2,000 Allards were built, and approximately 510 are believed to remain on the road or known to be under -restoration. More await discovery - even as this book was being written, one of Sydney's long-lost 1930s 'Allard Specials' has been found after years being forgotten. Other topics covered in this remarkable book include: car-by-car engineering and design details; unseen ideas and projects; the history of the Allard marque in

motor sport and the Allard story in the USA. Finally, it features the Allard Owner's Club, Allard Register, members and their cars.

Range Rover First Generation Apr 16 2020 The Range Rover's designers intended it to be a more comfortable and road-friendly passenger-carrying Land Rover, but customers quickly saw something much more in it. During the 1970s, while its immense practicality and capability were appreciated and acknowledged, a Range Rover became a sought-after and prestigious possession. It went on to change the face of Land Rover for ever. Range Rover First Generation - The Complete Story delves into the real story of the Range Rover, examining what lay behind the multiple changes in its twenty-six years of production. The book covers the full development story; custom and utility conversions; Range Rovers for the US market; full technical specifications and Range Rovers assembled overseas. If ever a car deserved the over-used epithet 'iconic', the first-generation Range Rover is it. The book provides an insight into the little-known difficulties and problems that were so well concealed by the Range Rover's makers and is a must read for all Range Rover and Land Rover enthusiasts. Superbly illustrated with 223 colour and 97 black & white photographs.
