*sixteen-year-old midwife Gaia Stone, who live outside . . . Perfect for fans new to the series, the three books of Caragh O'Brien's Birthmarked Trilogy are available together in this bundle. Birthmarked: Gaia has always believed it is her duty, with her mother, to hand over a small quota of babies to the Enclave. But when Gaia's mother and father are arrested by the very people they so dutifully serve, Gaia is forced to question everything she has been taught to believe. Prized: Striking out into the wasteland with nothing but her baby sister and a rumor to guide her, Gaia survives only to be captured by the people of Sylum, a dystopian society where women rule the men who drastically outnumber them, and a kiss is a crime. In order to see her sister again, Gaia must submit to their strict social code, but how can she deny her sense of justice, her curiosity, and everything in her heart that makes her whole? Promised: After defying the ruthless Enclave, surviving the wasteland, and upending the rigid matriarchy of Sylum, Gaia now faces her biggest challenge ever. She must lead the people of Sylum back to the Enclave and*

***persuade the Protectorat to grant them refuge from the wasteland. Is Gaia ready, as a leader, to sacrifice what—or whom—she loves most? Includes bonus chapters from Caragh O'Brien's Vault of Dreamers! A Study Guide for Nathaniel Hawthorne's "The Birthmark," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs. After defying the ruthless Enclave, surviving the wasteland and over-throwing the tyrannical leader of Sylum, Gaia Stone now faces her greatest challenge yet - to lead the people of Sylum back to the Enclave and persuade the Protectorat to grant them refuge. With Leon finally by her side, Gaia is hopeful that she can settle her people and finally start the life with him that she's always wanted. But in Gaia's absence, the Enclave has become even more ruthless, picking girls from outside the wall to serve in an experimental baby factory. Babies with***

***the right genes are now a priceless commodity with the potential to reshape life inside the wall and redifine humanity. And when it becomes clear that her genes are exactly what the Enclave needs, Gaia is appalled by the lengths they will go to... Door een mislukte poging van wetenschappers om een perfect menselijk ras te creëren, worden vrouwen niet ouder dan twintig jaar en sterven mannen op hun vijfentwintigste. Met nog een paar jaar te gaan, komt het einde voor Rhine steeds dichterbij. Helemaal nu ze in het ziekenhuis ligt en Vaughn haar nog altijd achterna zit. Samen met Linden en Cecily slaat ze op de vlucht. Nu ze weet dat haar broer nog leeft, zet ze alles op alles om hem te vinden. Zo hoopt ze de antwoorden te krijgen waar ze al zo lang naar op zoek is. Verbreken is het zinderende slotdeel in de sensationele, futuristische The Chemical Garden-trilogie. In juli 2005 treft de politie van Florida in een piepklein achterkamertje van een vervallen huis een kind aan, een meisje van een jaar of zes, vervuild en onder de vlooiën- en luizenbeten. Ze kijkt dwars door hen heen, wiegend en zwijgend. Het meisje***

***wordt acuut meegenomen en blijkt in de bijna zeven jaar van haar leven nooit geknuffeld, voorgelezen of verzorgd te zijn. Er lijkt geen hoop op herstel, de jaren dat een kind leert praten en liefhebben liggen al een jaar of twee achter haar. Diane en Bernie Lierow hebben besloten een kind te adopteren. Ze hebben samen al een zoon en willen graag nog een dochter. Liefst een die zindelijk en zelfstandig is en al een beetje voor zichzelf kan zorgen. Maar dan kijken ze in de grote bruine ogen van Dani. Tegen ieders advies in adopteren ze haar. Met kleine stapjes leren ze Dani communiceren, eten, liefhebben... kortom, weer een kind te zijn. *follows Rosie after her consciousness has been split in two. The entire country was watching when Rosie Sinclair was expelled from Forge, the prestigious arts school that doubles as a reality TV show. But few know how Dean Berg was mining students' dreams in laboratories deep below the school. And no one, least of all the Dean himself, knows that when Rosie's dreams were seeded into the mind of another patient, Rosie's consciousness woke up in that body--a girl far from Forge, a girl with a completely different life from Rosie, a girl who is pregnant. Told from alternating points of view between Rosie as she makes sense of her new identity and the shattered subconscious that still exists in her old body, The Rule of Mirrors will keep readers on the edge of their seats and leave them hungry for more. An expert in seduction, his tantalizing caresses claimed her body and soul.... With his every touch, he bewitched her and captivated her, but Milo Dansforth wanted more from Therese Carroll than a passionate interlude! The worldly art dealer needed her talent to restore a long-lost painting, but the secrets hidden beneath its*

*layers of history were his own. Unable to resist the wanton desire he awakened in her soul, Therese thrilled to his embrace, but could she trust this charming rogue with her heart? In a tale brimming with secrets and sensuality, Caragh O'Brien weaves a stunning tapestry of tender emotion and breath-stealing eroticism into an exquisite journey of love. He'd challenged her to uncover his mysteries, dared her to surrender to unspoken pleasures, but would the temptations he offered be her destiny...or her downfall? The Forge School is the most prestigious arts school in the country. The secret to its success: every moment of the students' lives is televised as part of the insanely popular Forge Show, and the students' schedule includes twelve hours of induced sleep meant to enhance creativity. But when first year student Rosie Sinclair skips her sleeping pill, she discovers there is something off about Forge. In fact, she suspects that there are sinister things going on deep below the reaches of the cameras in the school. What's worse is, she starts to notice that the ridges of her consciousness do not feel quite right.*

***And soon, she unearths the ghastly secret that the Forge School is hiding—and what it truly means to dream there. From Caragh M. O'Brien, author of the Birthmarked trilogy comes the first book in a new series, The Vault of Dreamers, a fast-paced, psychologically thrilling novel about what happens when your dreams are not your own. ***pleasures solving it can bring! She was just the kind of trouble he vowed he wasn't looking for, but could this captivating gypsy beguile him into taking just one more chance on love? In the fast-paced, high-stakes conclusion to Caragh M. O'Brien's Vault of Dreamers trilogy, Rosie travels to a derelict theme park to shut down dream mining once and for all. Driven by fear when Dean Berg kidnaps her family, Rosie Sinclair strikes out across the country to rescue them. When an elusive trail leads her to Grisly Valley, the contaminated ruin of a horror theme park, Rosie has to consider that Berg may once again be manipulating her every move to make her fearful, priming her for a final, lethal dream mining procedure. As Rosie struggles to outmaneuver Berg, she unearths the ultimate vault of dreamers and the hint of a consciousness more powerful and dangerous than any she's imagined before. Faced with unspeakable suffering and otherworldly beauty, Rosie must discover how to trust her mind, her friends, and reality itself. Propulsive and deeply speculative, The Keep of Ages concludes the Vault of Dreamers***

***trilogy with stirring possibilities for what it means to be alive. Download Chapters 1-5 in Birthmarked, the first installment in the trilogy by Caragh O'Brien. In the future, in a world baked dry by the harsh sun, there are those who live inside the wall and those, like sixteen-year-old midwife Gaia Stone, who live outside. Gaia has always believed it is her duty, with her mother, to hand over a small quota of babies to the Enclave. ***Jake op de stoep staat wordt de reis ineens een stuk spannender! After defying the ruthless Enclave, surviving the wasteland, and upending the rigid matriarchy of Sylum, Gaia Stone now faces her biggest challenge ever. She must lead the people of Sylum back to the Enclave and persuade the Protectorat to grant them refuge from the wasteland. In Gaia's absence, the Enclave has grown more cruel, more desperate to experiment on mothers from outside the wall, and now the stakes of cooperating or rebelling have never been higher. Is Gaia ready, as a leader, to sacrifice what--or whom--she loves most? □ Under the threat of climate change, corruption, inequality and injustice, Americans may feel they are living in a dystopian novel come to life. Like many American narratives, dystopian stories often focus on males as the agents of social change. With a focus on the intersections of race, gender, class, sexuality and power, the author analyzes the themes, issues and characters in young adult (YA) dystopian fiction featuring female protagonists—the Girls on Fire who inspire progressive transformation for the future.
