Nestor and Russell K. Schutt's successful and unique Research Methods in Psychology: Investigating Human Behavior draws from substantive research stories to illustrate how research is presented while systematically unifying the entire research process within a conceptual framework. This accessible text examines engaging research studies and examples, considering research ethics throughout. "This is a great text that emphasizes the important concepts within research methods. The resources are excellent; they incorporate up-to-date research and technology and introduce the student to empirical articles, and the information is presented in a way that challenges the student to apply the material." —Maria Pacella, Kent State University "The text is comprehensive. It covers a wide variety of information without being overwhelming. This is a very good textbook for an introductory course in research methods. I like that its focus is on psychological research specifically." —Angela M. Heads, Prairie View A&M University Egyptian Arabic Voices is designed to provide students of Arabic with an opportunity to hear and study authentic Arabic as it is spoken by native speakers today. Unlike the scripted materials read by voice actors used in many course books, Egyptian Arabic Voices offers dozens of audio essays spoken naturally and off-the-cuff by individuals from the greater Cairo region. Each of the six native speakers has contributed audio essays which have then been transcribed for study. Bonus: Free audio tracks available to download and stream from www.lingualism.com. Each "segment" (audio essay chapter) contains: 1) exercises to sharpen your listening skills and increase how much you can understand, whatever your level 2) in-chapter answers to the exercises (no having to flip back and forth to the back of the book) 3) a vowelized transcript of the audio with side-by-side English translations 4) cultural and linguistic notes 5) web links to articles and videos related to the segments As NTA introduces Numeric Answer Questions in JEE Main, Disha launches the Questions' the 3rd latest updated edition of 'New Pattern NTA JEE Main Quick Guide in Chemistry with Numeric Answer Questions'.
