Presents a comprehensive guide for mystery and detective fiction, compiling over 2,500 titles from more than 200 authors and including plot overviews, a history of the genre, and a discussion on collection development. Essays on authors whose lives span the twentieth century and serve as examples in the complex evolution of an immensely popular genre that has been greatly affected by market forces. Their careers and works reveal changing perspectives on crime and punishment in American society and culture. 2022 Mystery Writers of America Edgar Award Finalist The author of eighteen spellbinding detective novels set on the Navajo Nation, Tony Hillerman simultaneously transformed a traditional genre and unlocked the mysteries of the Navajo culture to an audience of millions. His best-selling novels

added Navajo Tribal Police detectives Joe Leaphorn and Jim Chee to the pantheon of American fictional detectives. Morris offers a balanced portrait of Hillerman's personal and professional life and provides a timely appreciation of his work. In intimate detail, Morris captures the author's early years in Depression-era Oklahoma; his near-death experience in World War II; his sixty-year marriage to Marie; his family life, including six children, five of them adopted; his work in the trenches of journalism; his affliction with PTSD and its connection to his enchantment with Navajo spirituality; and his ascension as one of America's best-known writers of mysteries. Further, Morris uncovers the almost accidental invention of Hillerman's iconic detective Joe Leaphorn and the circumstances that led to the addition of Jim Chee as his partner. Hillerman's novels were not without controversy. Morris examines the charges of cultural appropriation leveled at the author toward the end of his life.

Yet, for many readers, including many Native Americans, Hillerman deserves critical acclaim for his knowledgeable and sensitive portrayal of Diné (Navajo) history, culture, and identity. At the time of Hillerman's death, more than 20 million copies of his books were in print, and his novels inspired Robert Redford to adapt several of them to film. In weaving together all the elements of Hillerman's life, Morris drew on the untapped collection of the author's papers, extensive archival research, interviews with friends, colleagues, and family, as well as travel in the Navajo Nation. Filled with never-before-told anecdotes and fresh insights, Tony Hillerman will thrill the author's fans and awaken new interest in his life and literary legacy. Features over one hundred handcrafted folk toys made in Mexico, including carved and painted wood figures, puppets, and pinwheels. A collection of stories from the master mystery writer. "Hillerman continues to dazzle. . . . A standout." -- Washington Book World The

fourteenth novel featuring Leaphorn and Chee by New York Times bestselling author Tony Hillerman. Three men raid the gambling casino run by the Ute nation and then disappear into the maze of canyons on the Utah-Arizona border. When the FBI, with its helicopters and high-tech equipment, focuses on a wounded deputy sheriff as a possible suspect, Navajo Tribal Police Sergeant Jim Chee and his longtime colleague, retired Lieutenant Joe Leaphorn, launch an investigation of their own. Chee sees a dangerous flaw in the federal theory; Leaphorn sees intriguing connections to the exploits of a legendary Ute bandit-hero. And together, they find themselves caught up in the most perplexing--and deadly--criminal manhunt of their lives. Three armed men raid the Ute tribe's gambling casino, and then disappear in the maze of canyons on the Utah-Arizona border. The FBI takes over the investigation, and agents swarm in with helicopters and high-tech equipment. Making an explosive situation even hotter, these

experts devise a theory of the crime that makes a wounded deputy sheriff a suspect -- a development that brings in Tribal Police Sergeant Jim Chee and his longtime colleague, retired Lieutenant Joe Leaphorn to help. Chee finds a fatal flaw in the federal theory and Leaphorn sees an intriguing pattern connecting this crime with the exploits of a legendary Ute hero bandit. Balancing politics, outsiders, and missing armed fugitives, Leaphorn and Chee soon find themselves caught in the most perplexing -- and deadly -- crime hunt of their lives.... Cowboy Politics uses key works of literature, film, and television to explore how westerns address political challenges of Western civilization. This book tracks how westerns supplement liberal politics with republican, populist, perfectionist, and environmentalist politics. Presents a photographic journey through the landscapes of the works of the late mystery writer Tony Hillerman, with novel synopses, descriptive passages from individual

works, the author's own comments about the sites, and his daughter's remembrances. The morning after the aged Ute shaman receives a perplexing visits from a silent, disheveled matukach "magician," daisy's neighbor Nathan McFain discovers something astonishing buried in the dirt on his foundering Colorado dude ranch: the bones of gargantuan beast from a prehistoric age. It is a find of enormous scientific importance that attracts the attention of a wide variety of individual: noted paleontologist Moses Silver and his archaeologist daughter Delia; pillars of the scientific community Robert Newton and Cordell York; an Arkansas sharpie named Flye, an overly interested local antiques dealer.. and Charlie Moon of the Southern Ute Police Department. At the McFain spread primarily to keep an eye on the disreputable Flye, Moon is curious about the strange old bonesand wary as well. For things this ancient and rare have been known to inspire evil deeds in the past, including avarice, mendacity,

and murder. And when one of the prime players in this timeless drama vanishes without a trace, Charlie worries that his greatest fears have been realized. But while Charlie investigates the unexplained disappearance --and a very suspicious death that follows soon after--using rational and accepted police methods, his aunt Daisy is being drawn by forces preternatural into a grimly related mystery. For craven murder is not the exclusive domain of contemporary Man--and a cry for justice from the past has reached Daisy Perika and two extraordinary young girls in her care, ensnaring them all in something old, dark, and dangerous. The accompanying CD provides excerpts from the interviews with the authors. This book will appeal to anyone interested in knowing more about how a fascinating mix of people of various cultures have molded New Mexico's history. A fascinating survey of the entire history of tall tales, folklore, and mythology in the United States from earliest times to the present, including stories and myths

from the modern era that have become an essential part of contemporary popular culture. • Presents a compelling mix of some 500 entries drawn from traditional Native American and European American culture as well as Mexican American, African American, Chinese American, and other national traditions • Includes numerous primary documents that help readers to pinpoint and understand the origins of different myths and legends as well as how they evolve over time • Features a wide variety of entries drawn from newer traditions of science fiction, urban legends, and conspiracy theories • Supplies bibliographic references with each entry that include websites for further reading and research Three classic Hillerman mysteries. In this essential distillation of American suspense, 100 years worth of peerless tales are collected into a volume where giants of the genre abound: Raymond Chandler, Lawrence Sanders, Sue Grafton, Elmore Leonard, and Sara Paretsky. Table of contents Presents three of

bestselling author Tony Hillerman's novels: "The Fallen Man", "The First Eagle", and "Hunting Badger", which follow the adventures of Lieutenant Joe Leaphorn and Sergeant Jim Chee of the Navajo Tribal Police. Twee detectives van de Navajo-stam stuiten op diverse doden tijdens hun onderzoek naar de verdwijning van een antropologe. This book provides an introduction to 24 iconic figures, real and fictional, that have shaped the detective/mystery genre of popular literature. • Parallel chronologies placing each of the book's 24 subjects in their historical/cultural context • Individual selected bibliographies for each of the 24 figures plus a selected general bibliography of critical sources treating the genre Explores the life and work of Tony Hillerman, including the author's reflections on his childhood, a discussion of his artistic technique, and a short story. Presents detailed coverage of the deities, legendary heroes and heroines, important animals, objects, and places that make up the mythic lore of the

many peoples of North America. The Beadle Collection of Dime Novels is a huge listing of which books fell into the "dime novel" category. One finds names and authors and data about publication, all neatly classified for anyone who wishes to find any favorite book. The fourteenth novel featuring Leaphorn and Chee by New York Times bestselling author Tony Hillerman, now reissued in the Premium Plus format. Three men raid the gambling casino run by the Ute nation and then disappear into the maze of canyons on the Utah-Arizona border. When the FBI, with its helicopters and high-tech equipment, focuses on a wounded deputy sheriff as a possible suspect, Navajo Tribal Police Sergeant Jim Chee and his longtime colleague, retired Lieutenant Joe Leaphorn, launch an investigation of their own. Chee sees a dangerous flaw in the federal theory; Leaphorn sees intriguing connections to the exploits of a legendary Ute bandit-hero. And together, they find themselves caught up in the most perplexing—and deadly—criminal manhunt

of their lives. You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best.
