With a career that spanned from the silent era to the 1990s, British screenwriter Charles Bennett (1899--1995) lived an extraordinary life. His experiences as an actor, director, playwright, film and television writer, and novelist in both England and Hollywood left him with many amusing anecdotes, opinions about his craft, and impressions of the many famous people he knew. Among other things, Bennett was a decorated WWI hero, an eminent Shakespearean actor, and an Allied spy and propagandist during WWII, but he is best remembered for his commercially and critically acclaimed collaborations with directors Sir Alfred Hitchcock and Cecil B. DeMille. The fruitful partnership began after Hitchcock adapted Bennett's play *Blackmail* (1929) as the first British sound film. Their partnership produced six thrillers: *The Man Who Knew Too Much* (1934), *The 39 Steps* (1935), *Sabotage* (1936), *Secret Agent* (1936), *Young and Innocent* (1937), and *Foreign Correspondent* (1940). In this witty and intriguing book, Bennett discusses how their collaboration created such famous motifs as the "wrong man accused" device and the MacGuffin. He also takes readers behind the scenes with the Master of Suspense, offering his thoughts on the director's work, sense of humor, and personal life. Featuring an introduction and additional biographical material from Bennett's son, editor John Charles Bennett, *Hitchcock's Partner in Suspense* is a richly detailed narrative of a remarkable yet often-overlooked figure in film history.

For struggling actress Emily Proudman, life in London is not working out as planned - in fact, it's falling apart. So when she is offered a job living and working for a wealthy family on their luxurious property in coastal France, she jumps at the opportunity to start over. The

estate is picture-perfect, and its owners exude charisma and sophistication. But as Emily gets to know the family, their masks begin to slip, and what at first appears to be a dream come true turns out to be a prison from which none of them will ever escape - unless Emily can find a way to set them all free. Superbly tense and oozing with atmosphere, *The Safe Place* combines the modern suspense of *The Girl on the Train* with the gothic mind-games of Hitchcock's *Rebecca*. This Handbook offers a multiform sweep of theoretical, historical, practical and personal glimpses into a landscape roughly characterised as contemporary Irish theatre and performance. Bringing together a spectrum of voices and sensibilities in each of its four sections — Histories, Close-ups, Interfaces, and Reflections — it casts its gaze back across the past sixty years or so to recall, analyse, and assess the recent legacy of theatre and performance on this island. While offering information, overviews and reflections of current thought across its chapters, this book will serve most handily as food for thought and a springboard for curiosity. Offering something different in its mix of themes and perspectives, so that previously unexamined surfaces might come to light individually and in conjunction with other essays, it is a wide-ranging and indispensable resource in Irish theatre studies.

Er gaat niets boven het ontdekken van een jonge schrijver met zoveel kracht en talent.' - Stephen Fry 'Het is het indrukwekkende en schrijnende verhaal van een vrouw die zich met veel moeite weet te ontworstelen aan een gezin waarvan de ouders afzondering zoeken van de wereld, en de pijn die de breuk veroorzaakt.' - Trouw Al op jonge leeftijd moeten Tara en haar zes broers en zussen risicovol werk verrichten in het bedrijf van hun vader. Ze leren een heftruck te besturen en verzamelen schroot op het erf om in het onderhoud van de familie te voorzien. Het gezin leeft zo afgesloten van de gemeenschap dat er niemand is om Tara te onderwijzen, haar naar een dokter te brengen na een ernstig ongeluk, of om in te grijpen wanneer haar broer gewelddadig wordt. Contemporary Irish Documentary Theatre is the first anthology of Irish documentary drama. It features five challenging plays by Irish writers, and one by an international author, interrogating and commenting on crucial events of Irish history and of the diaspora, with introductory essays by established academics. Together these plays represent the most innovative development in contemporary Irish theatre and illuminate the social and political

realities of contemporary Ireland. The first two plays, of 2010 and 2013, deal with scandals of clerical and institutional abuse, and use as source material the Ryan Report of 2009, and the documents from the 2008 Irish Bank Guarantee. The next two, of 2014 and 2013, concern interpretations of the most iconic moment of Irish history: the Easter Rising. The first of these is based on published statements of participants in the event and the second on the lived experiences of those in the contemporary Republic whose founding ideals have not been realized. The last two plays, of 2015 and 2016, widen the view to the history of the Irish in the diaspora: one retelling the history of emigration to England based on published research material; and the other tracing Roger Casement's experiences in the Amazon and his subsequent participation in the Easter Rising using extracts from his diaries and other writings. The plays included and discussed are: No Escape by Mary Raftery Guaranteed by Colin Murphy Of This Brave Time by Jimmy Murphy History by Grace Dyas My English Tongue, My Irish Heart by Martin Lynch The Two Deaths of Roger Casement by Domingos Nunez Megan Goldin De escaperoom Welkom in de escaperoom. De opdracht is simpel: kom er levend uit. De escaperoom van Megan Goldin is een huiveringwekkende thriller over misleiding en wraak, voor de fans van Het vorige meisje en De vrouw in suite 10. In de lucratieve wereld van Wall Street zijn Vincent, Jules, Sylvie en Sam ultieme carrièrejagers. Hun leven staat in het teken van meedogenloze ambitie, miljardendeals en buitensporige luxe. Wanneer de vier vast komen te zitten in een escaperoomlift gaat het verschrikkelijk mis. Ze worden gedwongen hun onderlinge wedijver opzij te zetten en gezamenlijk opdrachten uit te voeren om vrij te komen. Naarmate deze onheilspellender worden en er duistere geheimen bloot komen te liggen, wordt de stemming grimmiger. Als ze willen overleven, moeten ze een laatste raadsel oplossen: wie van hen is een moordenaar? 'Fantastisch. Een van mijn favoriete thrillers van het jaar.' - Lee Child Met de Arabische Lente leek de islamitische wereld aan een veelbelovende omslag bezig. Maar de recente aanslag op Charlie Hebdo, de opkomst van de barbaarse IS en de oorlogen in Syrië en Irak tonen aan dat de relatie tussen de islamitische samenlevingen en het Westen weinig is veranderd, en een gevaar vormt voor de wereldvrede. Ayaan Hirsi Ali pleit voor een reformatie van de islam - een gematigde islam met gelovigen die kunnen leven met twijfel over de Koran en kritiek op de Profeet verdragen. Ayaan Hirsi Ali daagt de jihadisten onverschrokken uit en beschrijft wat islamieten moeten doen om hun religie van de 7e naar de 21ste eeuw te 'tillen'. Het Westen moet ophouden concessies te doen, want Islam is geen vredelievende religie', zegt ze. Niet degenen die tegen de vrijheid van meningsuiting zijn, maar hervormingsgezinde Moslims verdienen onze steun. Kettlers is geen oproep tot strijd maar een pleidooi voor vreedzame verandering en mondiale tolerantie. HE WAS TAUGHT HOW TO KILL Even behind bars, serial killer Harvey Lee Smith exudes menace. Nearly one million people take their own lives each year world-wide - however, contrary to popular belief, suicide can be prevented. While suicide is commonly thought to be an understandable reaction to severe stress, it is actually an abnormal reaction to regular situations. Something more than unbearable stress is needed to explain suicide, and neuroscience shows what this is, how it is caused and how it can be treated. Professor Kees van Heeringen describes findings from neuroscientific research on suicide, using various approaches from population genetics to brain imaging. Compelling evidence is reviewed that shows how and why genetic characteristics or early traumatic experiences may lead to a specific predisposition that makes people vulnerable to triggering life events. Neuroscientific studies are yielding results that provide insight into how the risk of suicide may develop; ultimately demonstrating how suicide can be prevented.

Welcome and much-needed addition to the literature for psychotherapists, therapists-in-training, and occupational therapists and other types of teachers. Mindful Therapy offers to them ways to bring the teachings of Buddhism into a psychotherapeutic practice - and a thorough explanation of the benefits of doing so. The book will be of value to therapists of every variety, in the way that Medicine and Compassion, while molded for caregivers in general, was applauded by medical journals. Author Tom Bien offers an energizing and expansive perspective. Grounded in his understanding of Buddhist teachings, his book suggests a model of integration of particular value to beginning therapists or those still in training, offering ways in which the therapist can mindfully care for themselves amid the challenges of their practice. Tools useful to clients, as well, are discussed. Bien sees therapists as practicing in the ancient traditions of various healers of spirit, whose greatest skill and gift to others is, above all, the mindful presence. Mindful Therapy is comprised of a useful, highly-readable balance of theoretical groundwork, personal experience, case studies, and practice exercises.

The key to understanding these truisms is simple but not easy: we must learn to open ourselves up to life in all its manifestations. Here, spiritual teacher and When Things Fall Apart author Pema Chödrön presents a uniquely practical approach to doing just that, showing us the true value in having "no escape" from the ups and downs of life. Drawing from her own experiences with marriage, divorce, motherhood, and more, Pema reveals that when we embrace the happiness and heartache, the inspiration and confusion—all the twists and turns that are part of natural life—we can begin to discover a true wellspring of courageous love that's been within our hearts all along. With reported sexual offences exceeding 60 000 and incidents of murder totalling 17 805 for the 2014/2015 period, our country's notoriety in this arena contributes to the landscape within which 'The Symbol of No Escape' plays out. As forensic thriller 'The Symbol of No Escape' is an emergent property of qualities that not too many authors are able to harness. These include Dr Tanya Robinson's practical experience and extensive work with the abused child, her knowledge in forensic psychopathology and her laudable scholarly credentials that underpins each page with legitimacy whilst powerfully infusing the characters of protagonist Dr Claire and villain Dann Carmen. The reader is systematically drawn in and absorbed in the lifeworld of Dr Claire, a profiler and expert assessor who is tasked to create a profile that would help close the case against depraved child serial murderer and family killer, Dann Carmen. His crimes are brutal and bizarre, yet Dr Claire's assertion that "Dann instils no fear in me" paves the way for explicating her goal which is to establish what contributed to him becoming a monster (Marcel Van der Watt, University of South Africa, Department of Police Practice). This is the third set of Handbook of Porphyrin Science. Porphyrins, phthalocyanines and their numerous analogues and derivatives are materials of tremendous importance in chemistry, materials science, physics, biology and medicine. They are the red color in blood (heme) and the green in leaves (chlorophyll); they are also excellent ligands that can coordinate with almost every metal in the Periodic Table. Grounded in natural systems, porphyrins are incredibly versatile and can be modified in many ways; each new modification yields derivatives, demonstrating new chemistry, physics and biology, with a vast array of medicinal and technical applications. As porphyrins are currently employed as platforms for study of theoretical principles and applications in a wide variety of fields, the Handbook of Porphyrin Science represents a timely ongoing series dealing in detail with the synthesis, chemistry, physicochemical and medical properties and applications of polypyrrole macrocycles. Professors Karl Kadish, Kevin Smith and Roger Guilard are internationally recognized experts in the research field of porphyrins, each having his own separate area of expertise in the field. Between them, they have published over 1500 peer-reviewed papers and edited more than three dozen books on diverse topics of porphyrins and phthalocyanines. In assembling the new volumes of this unique Handbook, they have selected and attracted the very best scientists in each sub-discipline as contributing authors. This Handbook will prove to be a modern authoritative treatise on the subject as it is a collection of up-to-date works by world-renowned experts in the field. Complete with hundreds of figures, tables and structural formulas, and thousands of literature citations, all researchers and graduate students in this field will find the Handbook of Porphyrin Science an essential, major reference source for many years to come. De briljante en aangrijpende derde thriller van de auteur van De Krijtman. Stephen King en Lee Child behoren tot Tudors grootste fans. Als hij naar huis rijdt, ziet Gabe opeens het gezichtje van een meisje achter het raam van een andere auto. Haar lippen vormen één woord: 'Papa.' Het is zijn vijfjarige dochter Izzy.

Daarna ziet hij haar nooit meer. Drie jaar later rijdt Gabe elke dag op en neer op diezelfde weg, op zoek naar de auto die zijn dochter wegvoerde. Hij weigert de hoop op te geven, zelfs al geloven de meeste mensen in zijn omgeving niet meer dat Izzy nog leeft. Fran en haar dochter Alice bevinden zich ook op die snelweg. Zij zijn niet op zoek, ze zijn op de vlucht. Ze proberen de mensen die hen pijn willen doen telkens één stap voor te blijven. Want Fran kent de waarheid. Zij weet wat er gebeurd is met Gabes dochter. Zij weet wie er verantwoordelijk is. En ze weet wat ze zullen doen als ze haar en Alice zullen vinden... In een wereld waarin zoveel strijd en geweld is, wil iedereen steeds meer zekerheid hebben. Volgens Pema Chödrön is een beetje onzekerheid onmisbaar om spirituele groei te bereiken. Op een eenvoudige en eerlijke manier laat de auteur ons zien hoe we stap voor stap innerlijk vrede kunnen bereiken op weg naar vrede in onze naaste omgeving én in de wereld. Chödrön staat opnieuw stil bij shenpa, een sleutelbegrip uit haar werk. Shenpa is het gevoel dat je kunt krijgen als er iets vervelends gebeurt, waardoor je emotioneel verkrampt. Om dat te voorkomen, is het belangrijk dat je liefdevol naar jezelf kijkt, en open en ontspannen blijft. Met behulp van meditatieoefeningen kun je dit bereiken. Een kleine klassieker in de dop over persoonlijke spirituele groei. When Caleb Drake comes home from prison, nobody in town wants him back. Nobody except Chloe, who has seen the smile that Terri - the young woman that Caleb supposedly hurt - gives him. Chloe is sure that Caleb didn't do it. The trouble is, how is she going to prove it? Caleb himself is no help at all - in fact, he gets into more scrapes with the law. So it looks like it's up to Chloe to prove his innocence. The fifth book in the acclaimed Chloe and Levesque series, featuring the smart talking sleuth with attitude to spare. Suddenly, a low, hoarse male voice came from behind her. "You're leaving after you slept with me?" "I'm sorry! I... I don't know!" Jiang Yunxi panicked and didn't know what to do. The only thing in her mind was to leave as soon as possible. She apologized subconsciously, ignored everything else, and charged forward recklessly. Based on the life of Lady Jane Grey. Conventional legal and political scholarship places liberalism, which promotes and defends individual legal rights, in direct opposition to communitarianism, which focuses on the greater good of the social group. According to this mode of thought, liberals value legal rights for precisely the same reason that communitarians seek to limit their scope: they privilege the individual over the community. However, could it be that liberalism is not antithetical to social group identities like nationalism as is traditionally understood? Is it possible that those who assert liberal rights might even strengthen aspects of nationalism? No Escape argues that this is exactly the case, beginning with the observation that, paradoxical as it might seem, liberalism and nationalism have historically coincided in the United States. No Escape proves that liberal government and nationalism can mutually reinforce each other, taking as its example a preeminent and seemingly universal liberal legal right, freedom of speech, and illustrating how it can function in a way that actually reproduces nationally exclusive conditions of power. No Escape boldly re-evaluates the relationship between liberal rights and the community at a time when the call has gone out for the nation to defend the freedom to live our way of life. Passavant challenges us to reconsider traditional modes of thought, providing a fresh perspective on seemingly intransigent political and legal debates.
