"Double the passion and the seduction as ... Megan Hart and ... Tiffany Reisz weave two provocative tales about power, bad-boy lovers and secret desires"--Page 4 of cover When she is carjacked, Gilly Solomon, a stay-at-home mom who is tired of always putting herself last, is stranded in a remote, snowbound cabin with a man who, teetering on the edge of madness, refuses to let her leave. Don't think don't question just do. The anonymous note wasn't for me. Don't get me wrong, I'm not in the habit of reading other people's mail, but it was just a piece of paper with a few lines scrawled on it, clearly meant for the apartment upstairs. It looked so innocent, but decidedly-deliciously-it was not. Before replacing the note-and the ones that followed-in its rightful slot, I devoured its contents: suggestions, instructions, commands. Each was more daring, more intricate and more arousing than the last...and I followed them all to the letter. Before the notes, if a man had told me what to do, I'd have told him where to go. But submission is an art, and there's something oddly freeing about doing someone's bidding...especially when it feels so very, very good. But I find that the more I surrender, the more powerful I feel-so it's time to switch up roles. We play by my rules now.

Originally published in 2009 From the national bestselling author of *Pleasure and Purpose*, a provocative new novel of a woman who lives to serve... It was at the request of Lord Gabriel Delessan that a handmaiden of the Order of Solace be delivered to his manor house. For young and ingenuous Tranquilla Caden, it would be her new position of service?devoted as she was to fulfilling every demand of her new master, to stimulating his mind, stirring his soul, and arousing his body. Yet something happens that Quilla never counted on: she was falling hopelessly, dangerously in love with the enigmatic?and very married?man she was required only to service. When Olivia hires Alex Kennedy for a photoshoot, she becomes deeply attracted to him, but worries she won't be able to handle his unconventional views on relationships and fears getting burned. I pay strangers to sleep with me. I have my reasons...but they're not the ones you'd expect. For starters, I'm a funeral director taking over my dad's business. Not exactly the kind of person you'd expect to fork over cash for the intimacy and urgency only skin-to-skin contact can create. Looking at me, you wouldn't have a clue I carry this little secret so close it creases up like the folds of a fan. Tight. Personal. Ready to unravel in the heat of the moment. Unsurprisingly, my line of work brings me face-to-face with loss. So I decided long ago that paying for sex would be one of the best (and most arousing) ways to save myself from the one thing that would eventually cut far too deep. But Sam was a mistake. Literally. I signed on to "pick up" a stranger at a bar, but took Sam home instead. And now that I've felt his heat, his sweat and everything else, can I really go back to impersonal? Let's just hope he never finds out about my other life... Originally published in 2009 Their love is a memory too dangerous to recall. Life is not easy by the Sea of Sand. The remote outpost and its lighthouse were never meant to serve as a place for wounded soldiers to recover, but that's what it has become. Teila has lived in the lighthouse for her entire life, and now she also takes care of the men and women who gave their sanity fighting the Wirthera's hive mind. Captain Kason Reed was willing to give

his life for the Sheirran Defense Forces, but now he can't remember anything except bits and pieces of the war. When his attraction to his caregiver, Teila, causes him to make advances toward her, she becomes the aggressor, urging him with her body to explore the memories of his past—memories that all seem to draw him back to Teila... Those returned by the Wirthera never come back whole. Their bodies are flooded with nanobots designed to trigger homicidal rage when the soldiers remember what happened to them. No matter how much Teila wants her new patient to remember her and the life they shared, before, she can't remind him. If she does, he might kill them all. A childhood accident left Emmaline vulnerable to disturbing fugue states that last minutes but feel like an eternity. The blackouts are unsettling but manageable...until she meets Johnny Dellasandro. The painter gained fame in the 1970s for his debauched lifestyle and raunchy art films. His naked body achieved cult status, especially in Emm's mind—she's obsessed with the man, who's grown even sexier with age. Today he shuns the spotlight and Emm...until she falls into a fugue on his doorstep. In that moment she's transported back thirty years, crashing a party at Johnny's place. The night is a blur of flesh and heat that lingers long after she's woken to the present. It happens again and again, each time—slip a mind-blowing orgy, and soon Emm can't stop, though every episode leaves her weaker. She's scared by what's happening, but she's even more terrified of losing this portal to the Johnny she wants so badly. The one who wants her and takes her—every chance he gets. Originally published in 2011 Feeling unfulfilled by a long string of casual lovers but worried that the conventional man she loves will not share her taste for sophisticated sex, dominatrix Elise embarks on an effort to introduce him to her way of life. Original. By the acclaimed New York Times best-selling author of Tear You Apart. First published as a five-part e serial novel, Megan Hart's Every Part Of You is now available for the first time as a complete book. Simone Kahan's been watching Elliott Anderson through her office window for months. He likes to bring women back to his office for late-night trysts, and Simone

enjoys her voyeurism until one night, Elliott appears to go too far with his date. The other woman might not be into spanking, but Simone is, and when she meets Elliott in the elevator later that night, she makes sure he's intrigued enough by her to ask her to go with him to the party he no longer has a date for. Thrown together by circumstances he'd never have imagined, Elliott isn't sure what to think about Simone. She's nothing like the women he normally dates, but something about her draws him in until he can't stop himself from wanting her until their goodnight kiss becomes something harder. Harsher. Simone responds to his rough hands as no woman ever has, and Elliott's not ready to pursue what he's always told himself is wrong. She had never been more beautiful to him than when she was making him hurt. Corinne was young once. Reese wasn't her first lover, but he was the first to submit to her. For a while they had something special, but it ended badly. She's a little older now – and the wealthy businessman who just bought the company she works for bears little resemblance to that boy. He's commanding, domineering, and seems hell-bent on pushing her past her limits. In a flash of anger, she falls back into their old pattern—and Reese falls right in with her. Before she knows it, she's testing him. Then tasting him. Corrine knows she can't afford to get involved again. Her life is complicated enough without throwing in a slew of kink. Now if only Reese would stop making her feel like the goddess she used to be...and showing her who's been the boss all along. But if he wants her, he's going to have to beg for it. Years ago, Jarron Bydelay's mercy allowed Notsah Mevoot to flee the House Bydelay and find her way to the Order of Solace. To prevent the need to take a queen he's called for a Handmaiden – and she's the one who arrives. Now called Redemption, the former thief remembers the man who is now king all too well, but Jarron does not recall her. With her former lover and head of the king's guard pressuring her to convince Jarron to bend politically in a decision that will change the entire province, Redemption must discover which is more important – her duty as a Handmaiden? Or her duty to her heart. Everyone knew Alicia Harrison's marriage

to Ilya Stern wouldn't last. They'd grown up on a remote stretch of Quarry Street, where there were two houses, two sets of siblings, and eventually, a tangled mess of betrayal, longing, and loss. His high school girlfriend, Jennilyn was Alicia's sister; after she drowned, he married Alicia. When Ilya's brother, Nikolai, comes home for their grandmother's last days, Alicia feels a rush of pure desire. She knows Niko won't stick around. Will a brief pleasure be a bad idea? Brought up in rural Pennsylvania by her unstable grandmother, Mari struggles as an adult in normal society before elements from her past threaten her family. By the award-winning author of *The Favor*. Original. Pack your carry-on, buckle in and put those tray tables up -- *Flying* is a soaring ride of desire and determination, of the relentlessness of grief and the power of love to heal - when it's allowed to. Love is not supposed to be the destination. Stella flies standby every other weekend, finding the airport bar wherever she arrives and waiting for the right guy to come along. From businessmen to baggage handlers, each conquest brings a whole new meaning to the term layover. Every departure is the sweetest possible distraction from the life and memories she's trying to forget. When she meets the mysterious Matthew in Chicago, something about him tells Stella she's not the only one running from the past. Their connection is instant, electric, volcanic - and for the first time, Stella wants a layover to turn into a roundtrip ticket. Matthew and Stella have no trouble burning up the sheets, each passionate exchange leading the way to the next - but while their takeoff was perfect, turbulence constantly threatens their landing. With every step forward, Matthew seems to take two steps back. What began as a one-night stand has become so much more...and also so, so much less. What secrets is Matthew hiding? How can Stella love a man who claims he wants her, but will not, in the end, actually take what she's prepared to give? How long can one person love the other without being loved in return? Aerie Delaya is a woman living, literally, in a man's world. The words mother, daughter and sister are considered obscenities in Alyria, where women are

forced to wear concealing cloaks called follyblankets to keep them from the sight of men. Aeris isn't the only girlchild being raised as male, but when she catches the attention of Prince Regent Daelyn Avigdor, the game she's been playing her entire life suddenly becomes that much more dangerous. Brought to the White Palace to serve as the Prince Regent's fetchencarry, Aeris finds herself caught in a world of luxury and intrigue -- companion to a prince yet constantly afraid of being discovered as female. When rumblings of revolt against those who insist on keeping women subjugated begin to rock Alyria, Aeris's loyalty to her prince is tested. Soon enough, the entire country is at war -- and Aeris learns she's not the only one with secrets.

Jack and Josie have a game. Ten points for correctly predicting which lame come-on the next person will use to hit on you. Fifteen points for getting asked for your phone number. Twenty for being bought a drink. Get someone to ask you to go home with them, and you've won The Game. Now Josie's tired of watching beautiful women throw themselves at the one man who's always been there for her, and even winning has become losing if it means the man who takes her home from the bar isn't Jack. She knows how to get other men to fall at her feet, but will the same moves work on her best friend? In love and lust, it's all about Playing The Game... Jack and Josie have been friends for years, but what will it take to convince them it's time to become more?

Always You includes Playing the Game, Opening the Door and White Wedding, three novellas from the author of best-selling novels Dirty, Broken, Tempted and more. Tesla Martin is drifting pleasantly through life, slinging lattes at Morningstar Mocha, enjoying the ebb and flow of caffeine-starved customers, devoted to her cadre of regulars. But none of the bottomless-cup crowd compares with Meredith, a charismatic force of nature who can coax intimate tales from even the shyest of Morningstar's clientele. Caught in Meredith's sensual, irresistible orbit, inexpressibly flattered by the siren's attention, Tesla shares long-buried chapters of her life, holding nothing back. Nothing Meredith proposes seems impossible--not even Tesla sleeping with

Meredith's husband, Charlie, while she looks on. After all, it's all in fun, isn't it? In a heartbeat, vulnerable Tesla is swept into a spectacular love triangle. Together, gentle, grounded Charlie and sparkling, maddening Meredith are everything Tesla has ever needed, wanted, or dreamed of, even if no one else on earth understands. They're three against the world. But soon one of the vertices begins pulling away until only two points remain—and the space between them gapes with confusion, with grief and with possibility... For Annalise Marony, taking her vows as a Handmaiden isn't a matter of faith -it's a matter of the heart. Betrothed to her childhood companion Jacquin, Annalise finds herself facing a lifetime of marriage to a man she loves - but who can never be a true husband to her. Determined that neither of them shall face that fate, Annalise concocts a plan. She will enter the Order of Solace just long enough for their previous arrangement to be sundered, giving them both the out they desire. What Annalise does not expect is to find something more important to her than escape in her lessons of service at the Order. Cassian Toquin is a man of secrets, a carrier of lies. As Annalise's teacher in the Order, he also becomes her formidable foe...and, perhaps, the only man to fulfill her destiny. When love and faith collide, there can be only one path to absolute solace - if only Annalise and Cassian can bring themselves to walk it. A female bodyguard with enhanced abilities. A billionaire playboy committed to destroying people like her. A romance they didn't expect... Dive into the first book in the fantastic new Protector series set in the near future from New York Times bestselling author Megan Hart! Nina Bronson used to be all human -- until the experimental surgeries and internal technology that saved her life and enhanced her as a soldier also forced her to leave the army for private service. Now she and her peers are facing slow, painful deaths unless their technology is upgraded, and the one man keeping those upgrades illegal and unavailable is an obnoxious billionaire. A man too gorgeous for his own good. A man she's supposed to guard with her life. Ewan Donahue is the

public voice speaking out against the enhancement procedures of injured soldiers. But when his lobbying leads to death threats, he needs someone to protect him around the clock. He doesn't want to rely on an enhanced soldier—Nina's tech goes against everything he stands for. But he really doesn't want her to be beautiful like she is. Doesn't want her to suffer like she will. Doesn't want to succumb to the searing desire he feels for her. As a series of attacks on his life send them to a remote cabin, their close proximity brings them together in ways they never imagined. They know they must prevent the need simmering between them, resist each other at all costs. But when tensions are high and danger is close, passion burns hottest of all... Protect and Serve just took on a whole new meaning. For Recreational Intercourse Operative Gemma, patrolling Newcity's Lovehuts and Pleasurebots isn't much of a pleasure. But it's work she clings to after an accident destroyed her marriage and left her with half her body made of replacement parts. She keeps her head down and her mind on her job, waiting for the proverbial hammer to fall. The head of the ruling council is out to make those like her illegal. If anyone finds out she's mecho, she's toast. A routine inspection of a Pleasurebot turns into a strictly forbidden—and mind-blowing—sexual encounter. Then she realizes it isn't an *it* at all. He's human, and despite the sweet-hot climaxes he gives her, she buries her report to save them both from the consequences. Except he can't seem to stay away from her, and for a time life seems almost normal. Until Gemma uncovers Declan's own deep, dark secret. A secret that could get her fired from R.I.O. Or both of them killed.

Bestselling authors, Megan Hart, Tiffany Reisz and Sarah Morgan weave three provocative tales about power, bad boy lovers and bridesmaid dresses! Letting Go by Megan Hart Colleen goes to the same bar every night and orders the same drink: a whiskey, neat. She doesn't drink it, though. Jesse the bartender notices the beautiful, sad woman who keeps to herself. Until one night when she lets go and lets him in. And after that, Jesse has only one mission -- to show her one night is only the beginning Seize The Night by

Tiffany Reisz Five years ago, a night of forbidden passion between Remi and Julien, the heirs of two powerful and competitive horse-racing families, led to a feud that is threatening to ruin both farms. Now Remi must find Julien again - but when she does her need for Julien is just as strong and just as forbidden. . . Ripped by Sarah Morgan

With a rip louder than the 'I dos', Hayley's hideous bridesmaid dress explodes. She's always had enviable curves, but nearly naked wasn't quite the look she'd been going for at her ex's wedding! After being rushed from the altar under the best man's jacket, Hayley expects a blast of disapproval from Niccolò Rossi. What she gets instead is a kiss that nearly melts what's left of her nightmare gown! When Janelle Decker returns home with her 12-year-old son to take care of her beloved grandmother, she begins talking to bad boy Gabe Tierney again, and starts to discover the real truth behind the childhood accident that tore Gabe and his brothers apart and drove Janelle out of town. A charismatic zealot. Four survivors. A new start. When Sunny flees the only home she's ever known, her three small children in tow, she has no idea that the rest of the family she's leaving behind will be following the orders of their religious leader to end their lives. When she ends up on the doorstep of her biological father, a man who has no idea she exists, all she can do is hope for his compassion. Liesel Albright has always wanted children, even when her husband Christopher does not. When Sunny shows up with her three little ones, it seems as though all of Liesel's prayers have been answered. How can a young woman raised in a cult adapt to the "normal" world? How can a woman who desperately wants children of her own adopt and adapt to this brand-new family? Sunny's past continues to haunt them all...until it seems as though it might finally also destroy them. All Fall Down is an emotional story of love and motherhood...of what it means to be a family, and how even the most difficult circumstances can lead to the greatest rewards. For fans of Jodie Picoult and Kelly Rimmer. Twice the fun...and twice the heat! New York Times bestselling author Megan Hart and USA TODAY bestselling author Sarah Morgan team up for fun and fearless

tales of women who don't just cross the lines between pleasure and control...they tangle them up! Crossing the Line by Megan Hart--Caitlyn Fox has one chance to prove to her outrageously hot--and ridiculously controlling--boss that she's got the chops to succeed. But Jamison Wolfe isn't quite what he seems. And once they cross the line between business and pleasure, Caitlyn discovers the one place where she's in control.... Burned by Sarah Morgan--Trainer and martial artist Rosie Miller's zen is seriously compromised when Hunter Black--her former coach and lover--becomes her new boss. And with all the sexual energy still crackling between them, her poor little zen doesn't stand a chance. So this time, Rosie is determined to play by her rules.... En sus manos No pienses. No preguntes. Actúa. Aquel anónimo no iba dirigido a mí. No te equivoques conmigo, no tengo la costumbre de leer el correo ajeno, pero era un simple pedazo de papel con unas cuantas líneas escritas a mano. Era evidente que iba dirigido a otro vecino. Parecía una nota inocente, pero, decididamente -y deliciosamente-, no lo era. Al desnudo Sin ataduras. Sin reproches. Sin vuelta atrás. No creía que él pudiera desearme. Y no iba a liarme con él, sobre todo después de lo que había oído. Alex Kennedy era alto, moreno e increíblemente guapo, pero yo ya había sufrido un gran golpe. Cuando le pedí que posara para mí, no esperaba que la sesión fotográfica se volviera tan apasionada. Viaje al pasado Un accidente de infancia convirtió a Emmaline en una persona propensa a sufrir alarmantes desvanecimientos; aunque apenas duraban unos minutos, para ella parecían prolongarse durante una eternidad. Aquellos episodios eran incómodos, pero manejables... hasta que conoció a Johnny Dellasandro. Aquel pintor huraño y solitario había ganado notoriedad en los años setenta por su estilo de vida desenfrenado y sus películas pornográficas de arte y ensayo. Clearwater Station is home to Victor Clearwater, inventor of the artificial life technologies that changed the world, and his ward Elsa Witherspoon. When Frederick arrives with the goal of stealing Clearwater's research to pay back his father's debts, he discovers the lovely young Elsa is not what she

appears-- and Clearwater Station is a house of secrets and lies. People want to use Elsa for their own gain, but first Frederick must figure out who and what she truly is in order to save her, and himself. A national bestselling author introduces a woman versed in the erotic who discovers the one thing she hasn't trained for: true love. Years ago, while lowly kitchen maid Notsah was fleeing the king's guard, she burst into the private chambers of the very man she was stealing from: Prince Jarron Bydelay. But he showed her mercy and dismissed her pursuer, Erekon, Captain of the King's Guard. Ten years later, Notsah has returned as Handmaiden to the new king. He might not remember her past, but Erekon does—and is determined to use her to get what he wants from his new king. Now, if Jarron learns her secret, she'll lose the only man she's ever loved—and if she doesn't tell him, he'll never truly love her back... When Megan Ward goes missing, suspicion falls on the stalker seen outside her house. The police would love it to be so simple, but the closer they look, the more mysterious Megan herself becomes. They find no photos, no passport, no family or friends. Only the corrupted computer files in Megan's strangely impersonal room. Meanwhile, Patrick Doran, owner of Safe Hands Security, is living his own nightmare. A hacker has breached his computer network, where he thought he had safely buried his past. Then, when her landlady is murdered, the shadowy Megan re-merges. The woman who doesn't exist becomes very real, very elusive and very dangerous. "This intriguing twist on the chosen child in an elite school trope confronts the reader with a number of unsettling questions that will linger long after the final page has turned." - Publishers Weekly Briella Blake has always been wicked smart. When she's invited to attend a special school for gifted students, she finally has the chance to focus on a project that begins to consume her - the ability to recreate and save copies of a person's entire set of memories. Her friendship with a raven that's as smart as she is leads to conflict with her mother Marian, who is no longer able to deny that there's something wrong with her child. FLAME TREE
