Scroll back to the top of this page and click the "BUY NOW " button to grab your own copy Now. There is an unseen world of good and evil where nightmares are fought and hope is reborn. Enter The Door Within. Aidan Thomas is miserable. Within two weeks, Aidan's life is completely uprooted as his parents move the family across the country to care for his ailing grandfather. The quiet but imaginative Aidan is struggling with attending a new school and fitting in with a new group of friends. But when he begins having nightmares and eerie events occur around his neighborhood, Aidan finds himself drawn to his grandfather's basement—where he discovers three ancient scrolls and a mysterious invitation to another world. No longer confined to the realm of his own imagination, Aidan embarks on an adventure where he discovers a long-fought war between good and evil. With the fate of two worlds hanging in the balance, Aidan faces Paragory, the eternal enemy with unfathomable power. Will Aidan be willing to risk everything and trust the unseen hand of the one true King? With over 250,000 copies sold in The Door Within trilogy, this is a perfect time to introduce the series to a new tween audience The fantasy genre is wildly popular among young readers, and this series will leave tweens and teens on the edge of their seats. Meets national education standards. In the book of Mark, Jesus eagerly proclaims the Good News: the Kingdom of God has come. What does that mean for those of us who follow Jesus? Mark: Getting to Know Jesus is an excellent introduction to the book of Mark and the important themes contained in this earliest gospel. A Guided Discovery of the Bible The Bible invites us to explore God s word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader-friendly format gives suggestions for prayer that help readers respond to God s word appeals to beginners as well as to advanced students of the Bible By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God s word, but also in our relationship with God." This concise iPhone manual provides step-by-step instructions on how to do everything with your iPhone FASTER. You will also unlock hidden secrets of your iPhone such as how to download free Games and eBooks, send an email from your iPhone, and read news for free. This iPhone guide includes:

Through clear instructions and savvy advice, this fast-paced, engaging guide shows you how to make the most of Fire phone's innovative features—including Firefly, Dynamic Perspective, one-handed gestures, and integration with Amazon Prime. The important stuff you need to know: Gain control with Dynamic Perspective. Tilt your phone to scroll, move your head to play games, and explore maps in 3D. Take pictures further. Capture high-res, panoramic, and moving (lenticular) photos. Shoot HD video, too. Shop with ease. Use Firefly to identify music, videos, and other items, and go straight to the product's Amazon page. Get the apps you want. Load up on games and apps for productivity, health and fitness, and social networking from Amazon's Appstore. Solve problems right away. Get live tech support from Amazon via video chat with the Mayday help feature. Carry the Cloud in your hand. Access Prime Instant Video, your Kindle library, and your uploaded photos and videos. The easy way to effectively implement iPads in the classroom The iPad is a natural fit for education in the 21st century, and this hands-on guide shows you just how to implement it in your educational institution. iPad in Education For Dummies serves as a roadmap for the device's successful use as an education tool—from both a personal and institutional perspective. It examines why the iPad is a perfect fit for contemporary educational needs, how to purchase and deploy them within an organization, and outlines best practices, tools, and apps for their educational use across all curricula and grade levels. A cross between a powerful computer, iPod, game console, and e-reader, the iPad is an ultraportable—and ultra cool—touch device from Apple. In 2013, the iPad was deployed in Chicago Public Schools, LA Unified School district, Oxnard School District in California, and Raleigh County Public Schools in West Virginia, to name a few. In this new edition of iPad in Education For Dummies, you'll find the latest coverage of interactive media and augmented reality apps, creating and publishing class books and textbooks, moving from lectures to interactive classroom presentations, setting up digital student profiles, and much more. Includes up-to-date coverage of Apple's iPad hardware and iOS software Covers managing classroom workflow challenges, including how to distribute, share, collaborate, and collect digital documents Written by one of the foremost authorities on iPad deployments in schools Provides clear information on what decisions you need to make to deploy and use the iPad effectively in the classroom If you're a school administrator, teacher, or educational IT specialist who is considering deploying the iPad in the classroom, this handy guide has everything to set you up for success. A mother's search for the son she gave up uncovers terrifying secrets in a Minnesota town in this "masterfully depicted true-crime tale" (Publishers Weekly). In 1962, Jerry Sherwood gave up her newborn son, Dennis, for adoption. Twenty years later, she set out to find him—only to discover he had died before his fourth birthday. The immediate cause was peritonitis, but the coroner had never decided the mode of death, writing "deferred" rather than indicate accident, natural causes, or homicide. This he did even though the autopsy photos showed Dennis covered from head to toe in ugly bruises, his clenched fists and twisted facial expression suggesting he had died writhing in pain. Harold and Lois Jurgens, a middle-class, churchgoing couple in picturesque White Bear Lake, Minnesota, had adopted Dennis and five other foster children. To all appearances, they were a normal midwestern family, but Jerry suspected that something sinister had happened in the Jurgens household. She demanded to know the truth about her son's death. Why did authorities dismiss evidence that marked Dennis as an endangered child? Could Lois Jurgens's brother, a local police lieutenant, have interfered in the investigation? And most disturbing of all, why had so many people who'd witnessed Lois's brutal treatment of her children stay silent for so long? Determined to find answers, local detectives and prosecutors rebuilt the case brick by brick, finally exposing the shocking truth behind a nightmare in suburbia. A finalist for the Edgar Award, *A Death in White Bear Lake* is "a distinguished entry in the annals of crime documentary," and a vivid portrait of the all-American town that harbored a sadistic killer (The Washington Post). Ze ontmoetten elkaar voor het eerst op een

testjekennis.vhg.org

dorpsplein in Vietnam, waar eens per jaar de beroemde Liefdesmarkt plaatsvindt. Hun heftige romance duurde vier dagen. Nu, twintig jaar later, is Celines huwelijk met Mike voorbij. Ze stort zich op haar datingbureau. Plotseling neemt haar oude vlam Patrick weer contact op. Moet Celine hem serieus nemen na al die tijd? Marcus Copley is a laid off IT manager who worked for an association in Charlotte. Not one to take things lying down, Marcus takes revenge on two association executives. This attracts the attention of the Charlotte Police. As Marcus reviews the files and data available to him from the back door he left before leaving, he discovers a secret program run by the CEO. The program is an extension of the Nazi final solution and the association is a front for the lingering Nazi government. Out of his depth, Marcus turns over all the information to the Police and disappears from Charlotte. The Police engage the FBI, who engages the US Navy to stop the plan from killing thousands of Egyptians. Marcus struggles with the man he has become, while others struggle with the resurgent National Socialist Party. It turns out that hate is the bottomless cup. "The parenting genre is never going to be the same" (Jancee Dunn, author of *How Not to Hate Your Husband After Kids*) after this candid and hilarious collection of essays on motherhood from the award-winning television comedy writer and producer of *2 Broke Girls* and *The King of Queens*, who swears she loves her kids—when she's not hiding from them. Some women feel that motherhood is a calling and their purpose on earth. They somehow manage to make pregnancy look effortless, bring out the beauty in a screaming child, and keep the back seat of their cars as spotless as their kitchens. And then there are women like Liz Astrof—who originally had children because "everyone else was." In this blunt and side-splittingly funny book of essays (previously published as *Don't Wait Up*), Liz Astrof embraces the realities of motherhood (and womanhood) that no one ever talks about: like needing to hide from your kids in your closet, your car, or a yoga class on the other side of town, letting them eat candy for dinner because you just can't deal, to the sheer terror of failing them or at the very least losing them in a mall. And sometimes, many times, wondering if the whole parenting thing wasn't for you. Perfect for fans of *Let's Pretend This Never Happened* and *I Heart My Little A-Holes*, *Stay-At-Work Mom* is a soul-baring and honest look at parenting and relationships for moms who realize that motherhood doesn't have to be your entire life—just an amazing part of it. ` Een kleurrijke en prikkelende reis door de eerste helft van de twintigste eeuw. Kirkus Reviews Londen, 1955. Grace Munroe is een zeer gezegende jonge vrouw. Na een beschermd jeugd in Oxford is ze door haar huwelijk met de welvarende Roger in het hart van Londen meest chique en ambitieuze sociale kringen terechtgekomen. De rol van elegant lid van de beau monde die haar man voor haar in gedachten heeft, past haar gewoonweg niet en zal haar wellicht nooit passen. Dan ontvangt ze een brief van een notariskantoor in Parijs: Grace heeft een onverwachte erfenis ontvangen. De weldoener, de Française Eva dOrsey, is echter een totale vreemde voor Grace en ze doet het incident af als een vergissing. Maar ze raakt erdoor geïntrigeerd en als ze het vermoeden krijgt dat haar man haar ontrouw is geweest, verruult ze Londen voor Parijs Dat is het begin van een zoektocht die Grace leidt naar de verleidelijke wereld van parfumeurs en hun muzen. Als ze op een verlaten parfumerie op de linkeroever van de Seine stuit, begint ze inzicht te krijgen in het hartverscheurende verhaal van haar Eva dOrsey, een uitzonderlijke vrouw die de high society van het Parijs en New York van de jaren twintig betoverde met haar creaties. Grace zelf komt al gauw voor de keuze te staan tussen het leven dat ze geacht wordt te leven of de persoon worden die ze werkelijk is. De parfumeur is een boek dat de zintuigen prikkelt en emoties de vrije loop laat, en daarbij de complexe en bezeten liefde onthult tussen de muze en de schepper, en de enorme kracht van herinnering en geur. Twee vrouwen beleven een eeuw na elkaar hun wittebroodsweken in Parijs - maar hun tijd daar blijkt niet zo romantisch als de setting zou doen vermoeden 'Een week in Parijs' is een heerlijke, korte roman over Sophie en Liv, de hoofdrolspelers uit Jojo Moyes' 'Portret van een vrouw'. Twee vrouwen beleven een eeuw na elkaar hun wittebroodsweken in Parijs - maar hun tijd daar blijkt niet zo romantisch als de setting zou doen vermoeden... In het Parijs van de belle époque brengt Sophie de eerste romantische weken na hun trouwen door met haar geliefde, de schilder Édouard Lefèvre. Het is een opwindende tijd, hoewel het leven aan de zijde van een arme kunstenaar ook zijn schaduwkanten kent... Meer dan een eeuw later komen Liv en David aan in Parijs voor hun huwelijksreis. De stad is prachtig, maar de romantiek is ver te zoeken, vooral doordat Liv steeds alleen is omdat David de ene zakelijke afspraak na de andere heeft. Heeft Liv de fout van haar leven gemaakt? Voor iedereen die genoot van 'Voor jou', 'De laatste liefdesbrief' en 'Vier plus één' is deze zelfstandig te lezen novelle de perfecte

manier om de voorgeschiedenis van de gebeurtenissen in 'Portret van een vrouw' te ontdekken! Fill your iPad with cool apps with help from this full-color directory! The popularity of the iPad is growing at an unstoppable rate and users are looking for help sorting through the tens of thousands of apps available in the App Store. Those who have made the switch from a Windows PC to a Mac have made Switching to the Mac: The Missing Manual a runaway bestseller. The latest edition of this guide delivers what Apple doesn't—everything you need to know to successfully and painlessly move your files and adapt to Mac's way of doing things. Written with wit and objectivity by Missing Manual series creator and bestselling author David Pogue, this book will have you up and running on your new Mac in no time. In the last hundred-odd years, advertising in India has given us life-altering stuff. It has attempted to make men Fair and Handsome. It has battled to make women 18 Again. And to both men and women it has given Tinder loving care. It has made us realize that we like pizza as much as the next Italian - as long as Domino's puts keema do pyaza on it and tempts us with 'Hungry kya?' It has made us re-evaluate our life choices and ask thought-provoking questions like 'Kitna deti hai?' of our cars and 'Kya aap Close-Up karte hain?' of our countrymen. In short, it has enriched our lives with quirky quips, unforgettable characters, inter-brand scuffles, clever insights, virtual lures and jaw-dropping controversies. In A History of Indian Advertising in Ten-and-a-half Chapters previously published as Stark Raving Ad, you'll find the best of case studies and unbusiness-like stories from Indian advertising through the ages - the hits, the misses, the also-rans and the banned. An engrossing read, this book will inform as much as entertain all readers. This youth Bible study, John 11-21: My Peace I Give You, is a wonderful way to get teens to think more deeply about the message and mission of Jesus. Just as the story up through chapter 10 can be summarized simply as Jesus proclaiming his identity and calling people to believe in him, so can the remainder of John's Gospel be summarized as God and Jesus glorified at the cross because Jesus' death is God's supreme revelation of himself. Jesus will now provide the most impressive sign of his divine origin and will bring his public ministry to a close. After giving his disciples final instructions, he will accept an agonizing death and will rise from the dead. Like the swing of a pendulum, the Gospel of John has two complementary movements: the Word of God enters the world as Jesus of Nazareth; then, for the sake of human beings, he leaves the world and returns to God. Designed as a guided discovery, Six Weeks with the Bible for Catholic Teens introduces high school students to different books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today. The series provides students with a clear explanation of Biblical text, opportunities for prayer, and a means to enter into conversation with God. Spark your interest in Kindle Fire HDX and start burning through books, movies, music, and more with this bestselling guide! The Kindle Fire HDX is Amazon's premiere tablet. Packed with full-color images and step-by-step instructions, this invaluable guide will quickly help you tap the power of your Fire phone! The self-publishing journey isn't always easy or cheap. Some things—like editing and cover design—should be left to paid professionals, but you can save money and achieve great results formatting your own e-book. DIY e-book formatting may seem daunting, but new tools—paid and free—make it fairly easy for most fiction manuscripts. These tools are discussed early in this guide so you will have a short read if one of them works for you. If your manuscript is more complicated (e.g., a nonfiction book with tables, list items, images, footnotes, and other specially formatted elements), this guide will explain everything you need to produce a professional and pleasing e-book. Advanced formatting is accomplished with HTML and CSS, but you won't need any prior experience or knowledge of either of these as the guide includes a tutorial to teach you everything you need to know. The end result of using this book will be a well-formatted EPUB e-book that can be submitted to Amazon, Apple, Kobo, Nook, and any other e-book publishing platform (NOTE: if you are looking at other guides that mention needing a MOBI file for Amazon, you are looking at an outdated guide as that is no longer best practice). Here are some specific things that you will get from reading this book. 1. A discussion of some useful tools, including Atticus, BBEdit, BlueGriffon, Calibre, Draft2Digital, Jutoh, Kindle Create, Kindle Previewer, LibreOffice Writer, Notepad++, Online HTML editors, Reedsy Book Editor, and Vellum. 2. Pluses and minuses of using Microsoft Word. 3. How to create a standard, clickable table of contents. 4. How to create a "logical" table of contents (used for the "Go To" menu or sidebar on your e-reading device or app). 5. HTML and CSS (styling) basics and a look at specific issues that are relevant to e-books and Amazon Kindle e-books in particular. 6. A template with HTML and CSS code that should work for any type of book formatting need. 7. How to create "standard" paragraph styles for different types of books. 8. How to add drop caps or small caps to your initial chapter paragraphs. 9. How to format complex elements such as internal and external links, images, tables, list items, block quotations, special fonts, and more. 10. How to create a final EPUB document (with proper metadata and cover art) from your original document or from an HTML version. 11. How to check your final EPUB for errors before submitting to online publishers. 12. An appendix summarizing the author's personal process to use as a quick checklist reference. Music, video, e-books, and e-mail Kindle Fire HD does it all! Your Kindle Fire HD is small but mighty just like this book! This little book covers all the Kindle Fire HD basics browsing the web and shopping online, connecting to a network, setting up and using e-mail, downloading and running apps, watching videos, keeping up with magazines and newspapers, and even reading books! Open the book and find: How to set up your device out of the box All the functionality of pre-installed apps Touchscreen and data transfer tips Ways to manage your multimedia Help setting up wireless connectivity An introduction to the tablet computer covers such topics as personalizing settings, voice commands, social networking, sharing and printing photos, and video chatting. Virtual environments (VE) are human-computer interfaces in which the computer creates a sensory-immersing environment that interactively responds to and is controlled by the behaviour of the user. Since these technologies will continue to become more reliable, more resolute and more affordable, it's important to consider the advantages that VEs may offer to support business processes. The term

'synthetic world' refers to a subset of VEs, having a large virtual landscape and a set of rules that govern the interactions among participants. Currently, the primary motivators for participation in these synthetic worlds appear to be fun and novelty. As the novelty wears off, synthetic worlds will need to demonstrate a favourable value proposition if they are to survive. In particular, non-game-oriented worlds will need to facilitate business processes to a degree that exceeds their substantial costs for development and maintenance. Working Through Synthetic Worlds explores a variety of different tasks that might benefit by being performed within a synthetic world. The editors use a distinctive format for the book, consisting of a set of chapters composed of three parts: ¢ a story or vignette that describes work conducted within a synthetic world based loosely on the question, 'what will work be like in the year 2025?', founded on the expert authors' expectations of plausible future technologies ¢ a scholarly review of the technologies described by the stories and the current theories related to those technologies ¢ a prescription for future research required to bridge the current state-of-the-art with the notional worlds described in the stories. The book will appeal to undergraduate and graduate students, professors, scientists and engineers, managers in high-tech industries and software developers. Getting the most out of your Amazon Kindle fire is only a few QuickSteps away! Color diagrams and clear instructions make it simple to set up, configure, customize, and use your Kindle Fire. Follow along to easily register your Kindle Fire and connect to Wi-Fi networks. Once you're up and running, learn how to navigate Kindle books and other print content; access, transfer, obtain and listen to music; browse, download, and view videos from Amazon and explore other options such as Netflix and Hulu; get, use, and manage the newest Android apps; play games; use email and social media; surf the web; make your Kindle Fire the perfect partner for business and travel; and use Amazon's Cloud services to wirelessly backup, store, and access your most valuable data. "This book will make you cry, think, and then cry some more." —Nicola Yoon, #1 New York Times bestselling author of Everything, Everything From the New York Times bestselling author of More Happy Than Not comes an explosive examination of grief, mental illness, and the devastating consequences of refusing to let go of the past. When Griffin's first love and ex-boyfriend, Theo, dies in a drowning accident, his universe implodes. Even though Theo had moved to California for college and started seeing Jackson, Griffin never doubted Theo would come back to him when the time was right. But now, the future he's been imagining for himself has gone far off course. To make things worse, the only person who truly understands his heartache is Jackson. But no matter how much they open up to each other, Griffin's downward spiral continues. He's losing himself in his obsessive compulsions and destructive choices, and the secrets he's been keeping are tearing him apart. If Griffin is ever to rebuild his future, he must first confront his history, every last heartbreaking piece in the puzzle of his life. Becoming a Praying Person is an excellent Bible study for anyone who wants to know how to develop a closer relationship with God. Through biblical persons such as Hannah, David, Jeremiah, Nehemiah, Mary, and Paul, we learn that there are many different paths to becoming a praying person. For busy adults who want to study the Bible but don't know where to begin, Weeks with the Bible provides an inviting starting point. Each guide is divided into six concise, 90-minute segments that introduce one book of the Bible. All biblical text is printed in the guides, which means no additional study aids are required. A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader-friendly format gives suggestions for prayer that help readers respond to God's word appeals to beginners as well as to advanced students of the Bible By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word, but also in our relationship with God." What do you get when you cross a Mac with an iPad? OS X 10.9 Mavericks. Its 200 new features include Mac versions of iPad goodies like Maps, iBooks, and iTunes Radio—but not a single page of instructions. Fortunately, David Pogue is back, with the expertise and humor that have made this the #1 bestselling Mac book for over 11

years straight. The important stuff you need to know: Big-ticket changes. Finder tabs. Finder tags. App Nap. iCloud Keychain. iTunes Radio. Maps. iBooks. Automatic app updating. If Apple wrote it, this book covers it. Nips and tucks. This book demystifies the hundreds of smaller enhancements, too, in all 50 programs that come with the Mac: Safari, Mail, Calendar, Notification Center, Messages, Time Machine... Shortcuts. Meet the tippiest, trickiest Mac book ever written. Undocumented surprises await on every page. Power users. Security, networking, build-your-own Services, file sharing with Windows, even Mac OS X's Unix chassis—this one witty, expert guide makes it all crystal clear. There's something new on practically every page of this edition, and David Pogue brings his celebrated wit and expertise to every one of them. In Colossians and Philemon, two short but important letters of Paul, the gospel message is applied to Christians' everyday problems. Colossians/Philemon: New Life in Christ in an excellent way to introduce people to the letters of Paul while demonstrating the relevancy of Paul's message for people today. A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship presents the insights of Church fathers and saints includes questions for discussion and reflection delivers information in a reader-friendly format gives suggestions for prayer that help readers respond to God's word appeals to beginners as well as to advanced students of the Bible By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word, but also in our relationship with God." My Kindle Fire HD Step-by-step instructions with callouts to Amazon Kindle Fire HD photos that show you exactly what to do Help when you run in to Amazon Kindle Fire problems or limitations Tips and Notes to help you get the most from your Amazon Kindle Fire Full-color, step-by-step tasks walk you through getting and keeping Your Amazon Kindle Fire working just the way you want. Learn how to • Quickly master all the basics: reading, playing, watching, browsing, and more • Read an eBook and listen to the audiobook at the same time • Read periodicals in full color and zoom in on articles • Discover Calibre, a powerful eBook management tool • Control even the largest music libraries • Stream the latest movies, and even watch them on your TV • Instantly find out the name of a familiar actor in a movie • Use your Kindle Fire as a digital photo frame • Set up a safe and fun Kindle Fire environment for your kids • Set up your email account to work on your Kindle Fire • Talk to friends and family over Skype • Post to Twitter and Facebook • Surf the Web with Amazon's innovative Silk browser • Use Amazon Cloud to get your stuff anywhere—even if you left your Kindle at home CATEGORY: Consumer Electronics COVERS: Amazon Kindle Fire HD USER LEVEL: Beginning—Intermediate Kate is geschokt wanneer ze een telefoontje krijgt dat Rosie Anderson wordt vermist. De mooie, stille, vriendelijke Rosie is achttien jaar, even oud als Kates eigen dochter. Hoewel de dorpsbewoners ervan overtuigd zijn dat Rosie wel weer terug zal keren, raakt Kate geobsedeerd door de zaak. Ze probeert koste wat kost de geheimen te onthullen van het idyllische Engelse dorpje waar ze woont. Tot op het bot is een verbluffende, schitterende psychologische thriller in de stijl van Gillian Flynn en Alice Sebold. Perhaps the best way to learn to pray is by following the example of Jesus. The Our Father guides readers through the prayer Jesus taught us, and asks us to consider important questions as we learn to pray: What are we asking for? What are we committing ourselves to? What does the Our Father teach us about prayer? A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format.
