The Book of Finch Mar 16 2020 The Book of Finch tells the true and rather remarkable story of a man who believes that he is seeing moments of his life portrayed in modern popular media, most notably in the motion picture "The Number 23." Though the book might seem to be about a guy whose made for Hollywood, the story takes a religious turn as Finch discovers a secret of the Universe - that miracles are reality, but Finch must stay away from a far from perfect church and the local mental health department. This is the story of a most horrifying and painful metamorphosis that can best be regarded as either truly magical or truly insane - it is highly evident that Finch characterizes at least one of those two characteristics. It seems obvious to many that Finch was crazy, but the events which lurks in his past may have been indicative of the future. What do those numbers mean, eh? This book includes a series of 24 poems written during the latter portion of the story.

The Book of Finch Feb 13 2020 The Book of Finch tells the story of the writer, who, from his personal perspective sees himself as a real 'Topsy Kretts' of the motion picture "The Number 23", for various reasons that you might identify when reading the book. Realizing that this movie was a critical flop and he had earned almost no money from the sales, the Author explains the highlight of his life's story, the poorly kept secret (which he kept it secret) of a most unnatural set of experiences that, though public entertainment glares the narrative of the story, most people likely haven't heard about, as the ACTUAL TRUTH of the whole matter never found its way into the movie. Scan the pages of this book to find the disturbing tale of a reality you may never have known the actual existence of, and the Author's viewpoint of experiencing it. Includes 17 poems written by the author during the latter part of the story.
