Gibbering Gnome Press Presents a Tale of Epic Fantasy. Uncle Ebb was so good at telling his tales of the Moon Realm that sometimes it sounded like he'd been there himself. As children, Lily and Jasper listened raptly to his bedtime tales of a place where nine moons swirled around one another, each inhabited by strange and wondrous beings: magical lunamancers; undersea merfolk; wise birds; winged dragons; and Lily's favorite, the heroic, leonine Rinn. There was only one rule: don't tell a soul. But now, years later, Uncle Ebb is missing. Lily has learned the secret behind the tales, and soon Jasper will too. But there's one big problem. You see, something terrible has happened in the Moon Realm. . . . Featuring twenty-two stunning full-color illustrations by Carolyn Arcabascio. Volume One of the young adult fantasy adventure series The Moon Realm. Being a big shot in the heavenly court made me extremely rich in the mortal world. With the heaven realm trading system in his hands he held the only trading channel between the heavenly court and the mortal realm all sorts of unsatisfied expressions could be seen on her feet as many different kinds of beauties swarmed over this was a story of a diaosi rebutting in and laughing at the three realms. there is a person who is all powerful but no one know this person yet everyone says her name every time and every day do you know her? this person is called "fate" who is most kind and cruel with many different personalities and many names like lady fate, lady luck, fortuna, maha maya,...etc.there is one sentence to describe this person's power "no matter if you are THE GOD or THE DEVIL, one can never cross fate unless she gave you the way". what if a person propose his love to fate? "oh! you love me, so what, what qualification do you have, but since you have the guts to propose to me then prove me your worth". "conquer all the worlds under me and find all the pieces of me in the world and conquer them from level zero without your current power to finally reach this fate realm then we can see your worth". this started the journey of the conqueror to conquer the world and fate where there are many adventures in many realms, forming a huge harem, refining pills, weapons crafting, charm making, formation building, monster taming, and many and unknown things with a marvelous game system that shake's the world. THIS NOVEL IS MY FIRST NOVEL since English is not my mother tongue grammar will be a little off but as the story goes on the grammar will improve as well this is proved through the comments of my successful publishing through other platforms thank you readers
