Een woud vol zonnebloemen Oct 15 2022 De zeventienjarige Lesley is een echt tienermeisje: haar zorgen draaien om jongens, haar studie en ruzie maken met haar jongere zusje. Ze is dol op haar moeder Mara, die prachtige verhalen kan vertellen over haar jeugd in Hongarije en Duitsland voor de oorlog. Maar Mara heeft ook traumatische herinneringen die ze nooit wil delen met haar dochters. Terwijl Lesley het gruwelijke oorlogsverleden van haar moeder begint te ontdekken, stort hun gezin ineen. En Lesley beseft dat zij haar moeder nooit echt heeft gekend.

Decade of Nightmares Oct 11 2019 Draws on tabloid journalism, popular fiction, movies, and television, in an exploration of the confluence of panics, scares, and a few genuine threats that created a climate of fear that led to America's conservative reaction to a decade of radicalism and an ascent into the landscape of the political Right.

The Tiger's Child Dec 05 2021 This is a story of dedication and caring begun in childhood, moving into a new and extraordinary chapter that would test the strength and heart of both Sheila and her one-time teacher - as the skilled and loving educator answered the call once again to help a child in need through her transition into womanhood.

Pedophiles and Priests Feb 13 2020 If we can believe the six o'clock news, there has been an epidemic of sexual abuse among the clergy, and especially among the Roman Catholic clergy. This study looks at the entire history of this mushrooming scandal, from the first rumblings to the explosion of headlines. -- Provided by publisher.

Summary of Torey L. Hayden's Just Another Kid Feb 07 2022 Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had been abroad for almost two years, working full time as a writer, and I intended to return to my life in Wales, to my stone cottage, my dog, and my Scottish fiancé. But family matters brought me home. I was called a consultant resource person in my job description, and the children were termed behaviorally disordered. #2 I was coming to the conclusion that I wasn't a well-directed person. I didn't have a career, but I was constantly running into interesting opportunities. I was growing increasingly sensitive to how capricious my lifestyle was. #3 My second student, Mariana Gilchrist, arrived shortly after I returned to the room. She was eight and came with the kind of profile that was almost a cliché in this sort of classroom: borderline IQ, short attention span, overaggressive. She also had a history of precocious sexual behavior. #4 I was well prepared for Dirkie. They had all told me about Dirkie. He was 11 and had spent his life in institutions. He had had a history of bizarre family acts and abuse. His foster parents came with him that morning, dragging him between them. He struggled and screamed.

Dochter van de minnares Nov 11 2019 `Ik heb van kindsbeen af één ding over mezelf geweten: ik ben de dochter van de minnares. Mijn moeder was jong en alleenstaand, mijn vader ouder en getrouwd, en hij had kinderen. Toen ik in december 1961 werd geboren, belde een advocaat mijn adoptieouders op en zei: Uw pakje is gearriveerd en er zit een roze strik omheen. Wanneer A.M. Homes in 1992 naar haar ouderlijk huis gaat om met haar familie kerst te vieren, krijgt ze de schrik van haar leven: haar biologische moeder heeft gebeld. A.M. Homes was al voor haar geboorte geadopteerd en nu, na eenendertig jaar stilte, zoekt de vrouw die haar het leven geschonken heeft contact. Na lang aarzelen spreekt A.M. Homes met haar af. In *De dochter van de minnares* vertelt ze met meedogenloze precisie over haar ontmoeting met haar biologische ouders en de moeizame, bizarre relatie die ontstaat. Langzaamast past ze de teruggevonden stukjes van haar verleden in elkaar en dat levert een confronterend en soms pijnlijk portret op. Met haar virtueuze talent weet Homes zelfs haar eigen leven te vertalen naar een geestig, markant en diep ontroerend literair meesterwerk.

Summary of Torey L. Hayden's Ghost Girl Sep 02 2021 Please note: This is a companion version & not the original book. Sample Book Insights: #1 Glen Tinbergen, the principal, was welcoming. He told me that the staff would meet me at lunchtime to introduce me to them, but for now, I was anxious to get to my room. It was ready for me. #2 I had a new classroom on the second floor, last room on the left. It was a spacious corner room with large windows that gave a panoramic view of the snowy schoolyard and the ancient elms bordering it. The four children in my class were beautiful. #3 I met with Reuben, who was diagnosed with autism. He was able to speak, use the toilet, and perform academic feats with considerable skill, but only within the confines of his handicap. He had been to California, Pennsylvania, and South Carolina to participate in programs designed to modify his more difficult behaviors. #4 I had worked with elective mute children for the past ten years, and when I got a new student named Jadie, she was unlike anything I had ever seen before. She was hunched over and had her arms crossed under her, as if she were clutching an unwieldy load of books.

Revolutionary Suicide and Other Desperate Measures Aug 21 2020 This volume examines how child abuse and youth violence are understood, manufactured, represented, but still disavowed, in contemporary everyday life and culture in Japan and the United States.

Understanding Abnormal Child Psychology Jun 30 2021 In *Understanding Abnormal Child Psychology*, students will learn about both normative and abnormal development throughout children's lives. Consistent with previous editions, several themes run throughout the book: Developmental psychopathology: Children's and adolescents' behaviors are on a continuum (from very adaptive to very maladaptive), with only the very severe ends of the spectrum being

conceptualized as disorders. Diversity, inclusion, and understanding: Special attention is given to issues of race/ethnicity, gender, family constellation, religious orientation, primary language, socioeconomic status, and physical differences to help students see the commonalities and differences of abnormal child behavior within a cross-cultural and international context. New to the 4th edition Completely revised in both structure and content to reflect the DSM-5 Increase coverage of risk factors related to long-term effects of sexual abuse and bullying. Increased coverage of diversity to include new "diversities" that have emerged as important, i.e. transgender children New research on suicide and suicide prevention

Schaduwkinderen Jul 20 2020 Cirkel van het kwaad is een driedelige thrillerserie over de zoektocht naar de ware toedracht van een twintig jaar oude moord. Schaduwkinderen is hiervan het spannende eerste deel. Wat is er twintig jaar geleden precies gebeurd? Jules' herinneringen aan die avond zijn vaag, het enige wat ze weet is dat haar vader dood is. Haar broer is veroordeeld voor de moord, maar Jules gelooft in zijn onschuld. Of spelen er dingen waar zij geen weet van heeft? Terwijl ze verbeten blijft zoeken naar antwoorden, stort ze zich op haar werk als officier van justitie en krijgt ze te maken met een zenuwlopende zaak die ze moet zien op te lossen voordat er meer slachtoffers vallen. Linda Jansma schreef onder meer de bestsellers Houvast, Tweestrijd en Verbroken . Van deze laatste titel zijn de filmrechten inmiddels verkocht.

Overheard in a Dream Nov 04 2021 Bestselling author Torey Hayden's novel is a fascinating study of a fractured family, a troubled child, and a psychiatrist's attempts to rescue them. [payot.ch] vdroll/05.2017.

Tiger's Child Mar 28 2021 Special-education teacher Torey Hayden's first book, *One Child*, was an international bestseller, thrilling readers on every continent. Their hearts were captured by Sheila, a silent, troubled girl who had been abandoned on a highway by her mother and abused by her alcoholic father, and who refused to speak. As Hayden writes in the prologue to this book, "This little girl had a profound effect on me. Her courage, her resilience, and her inadvertent ability to express that great, gaping need to be loved that we all feel -- in short, her humanness -- brought me into contact with my own." Since then Hayden has gone on to write books about many of her students, but her fans continue to ask her, "What happened to Sheila?" The *Tiger's Child* is her response. Here Hayden tells how Sheila, now a young woman, finally came to terms with her nightmare childhood. When Hayden was working on *One Child*, she showed the manuscript to Sheila, then a teenager, and was astonished to find that Sheila remembered almost nothing of her troubled younger years. She had no recollection of her many clashes with her teacher as Hayden tried to break through her emotional pain. And although Hayden had managed to get Sheila to communicate and become an active and lively child, Sheila's home life was still very troubled. Her father had been sent to prison when she was eight and Sheila had run away from a series of foster homes until finally she was placed in a children's home. But as Hayden continued to renew her relationship with the teenage Sheila, the memories slowly came back, bringing with them feelings of abandonment and hostility. Overwhelmed by the intensity of her awakening emotions, Sheila was driven to suicidal despair. The *Tiger's Child* is the touching, inspiring story of how a maturing Sheila came to perceive her mother not as a monster who willfully cast off her eldest child, but as a weak, forlorn, ordinary human being. Able to appreciate her own strength and resilience, Sheila at last is free to overcome the haunting legacy of child abuse.

Beautiful Child Jun 11 2022 More than two decades ago, in her unforgettable international bestseller *One Child*, author Torey Hayden chronicled her poignant struggle to help a severely

troubled little girl. Over the ensuing years, this dedicated special education teacher has faced many other heartbreaking challenges -- and has never abandoned a child in need. Beautiful Child Seven-year-old Venus Fox's unresponsiveness was so complete that Torey Hayden initially believed the child was deaf. Venus never spoke, never listened, never even acknowledged the presence of another human being in the room with her. Yet an accidental playground bump would release a rage frightening to behold, turning the little girl into a whirling dynamo of dangerous malice. Of the five children in Torey's classroom that September, Venus posed the greatest challenge -- though the other four had serious problems of their own that could not be overlooked. The six-year-old twins Shane and Zane suffered from fetal alcohol syndrome and its accompanying mix of high agitation and low concentration. At nine, cocky, aggressive Billy had already been expelled from school twice. Eight-year-old Jesse suffered from Tourette's syndrome. And then there was Venus. Though all of the children had different needs and afflictions, they had two things in common: a profound, sometimes violent dislike of one another, and the desire to be almost anywhere other than Torey's class. The school year that followed would prove to be one of the most trying, perplexing, and ultimately rewarding of Torey's career, as she struggled to reach a silent child in obvious pain and need and, at the same time, create an atmosphere of learning and cooperation in a class bent on chaos. It would be a strenuous journey beset by seemingly insurmountable obstacles and darkened by truly terrible revelations -- yet encouraged by sometimes small, sometimes dazzling breakthroughs -- as an intrepid teacher remained committed to helping a hopeless girl, and lead her toward the light of a new day. In this remarkably moving account, Torey Hayden once again displays the insight, intelligence, humor, and, most important, the indomitable heart that have made her previous books not only phenomenal bestsellers worldwide but required reading for anyone personally touched by or interested in the treatment of emotionally disturbed children.

De bigamist Jan 14 2020 In april 2006 kreeg Mary Turner Thomson een telefoontje dat haar leven veranderde. Een onbekende vrouw vertelde haar dat zij en Will Jordan, Marys echtgenoot en vader van haar twee kinderen, al veertien jaar getrouwd zijn en samen vijf kinderen hebben. De bigamist is het schokkende, waargebeurde verhaal van een man die een intelligente, onafhankelijke vrouw manipuleerde, oplichtte en alleen achterliet. Het onthult de werkwijze van een meesteroplichter die vele levens verbrijzelde. Een verhaal waarvan niemand denkt dat het hen ooit zou overkomen. Maar oordeel niet te snel...

Beautiful Child Dec 17 2022 "Seven year old Venus Fox never spoke, never listened, never even acknowledged the presence of another human being in the room with her. Yet an accidental playground 'bump' would release a rage frightening to behold. The school year that followed would prove to be one of the most trying, perplexing, and ultimately rewarding of Torey's career, as she struggled to reach a silent child in obvious pain and remained committed to helping a 'hopeless' girl, and patiently and lovingly leading her towards the light of a new day." -back cover.

Somebody Else's Kids May 10 2022 "Were all just somebody else's kids..." A small seven-year-old boy who couldn't speak except to repeat weather forecasts and other people's words...A beautiful little girl of seven who had been brain damaged by terrible parental beatings and was so ashamed because she couldn't learn to read...A violently angry ten-year-old who had seen his stepmother murder his father and had been sent from one foster home to another ...A shy twelve-year-old from a Catholic school which put her out when she became pregnant... "What do we matter?" "Why do you care?" They were four problem children-put in Torey Hayden's class because no one else knew what to do with them. Together, with the help of a remarkable teacher who cared too much to ever give up, they became almost a family, able to give each other the love and understanding they had found nowhere else.

Raising Good Children Apr 28 2021 Raising decent, caring, and responsible children is the most complex and challenging job in every parent's life—and an increasingly difficult one in today's society. Here is the most authoritative book available on this crucial subject, a valuable and sensitive guide for parents who want their children to grow up with lifelong positive values. Based on fascinating research, this groundbreaking work by psychologist and educator Dr. Thomas Lickona describes the predictable stages of moral development from birth to adulthood. And it offers you down-to-earth advice and guidance for each stage: • Seven caring ways to discipline “terrible twos” • Why your preschooler “lies” and how to handle it • What to do about a four-year-old's back talk • How to handle your seven-year-old's endless negotiations about what's “fair” • Why teens have trouble with peer pressure—and how to help them • How to talk to your child about drugs, drinking, and sex • How to help children of any age reason more clearly about what's right and wrong PLUS . . . A list of more than one hundred children's books that teach moral values, and much more. “An excellent book on a vastly neglected aspect of raising children.”—Dr. Fitzhugh Dodson, author *How to Parent, How to Father* “We have been waiting for a book like this for a long time—a readable work that translates a moral development into parents' language and experience.”—Dolores Curran, author of *Traits of a Healthy Family* “Truly integrates a moral development theory into a consistent approach to childrearing. . . Word-of-mouth recommendations from parent to parent may lift it to the level of popularity once held by Dr. Spock's book on child care.”—Moral Education Forum

Ghost Girl Jan 06 2022 An account of a teacher's determination from the author of the No1 Sunday Times bestsellers "Tiger's Child and One Child."

Het eerlijkheidsexperiment Mar 08 2022 Wat zou er gebeuren als je aan een wildvreemde de waarheid over jezelf vertelt? Iedereen liegt over zijn leven. Wat zou er gebeuren als je aan een wildvreemde de waarheid vertelt? Dit is de vraag die de 79-jarige weduwnaar Julian Jessop stelt op de eerste pagina van een groen schrift dat hij achterlaat in een café. Op de kaft van het schriftje staat 'Het eerlijkheidsexperiment'. Monica, de eigenaresse van het café, ziet het schrift liggen en besluit de uitdaging aan te gaan en de waarheid over haar leven in het schrift op te schrijven. Ze legt het weer terug op tafel en zo gaat het door: vijf andere mensen zullen het boekje vinden en na het lezen van de persoonlijke verhalen van anderen hun eigen waarheid op papier zetten. De wens van de oude Julian Jessop wordt vervuld op de meest onverwachte en hartverwarmende wijze.

The Tiger's Child Aug 13 2022 "When special education teacher Torey Hayden wrote her first book *One Child* thirty-five years ago, she created an international bestseller. Her intensely moving true story of Sheila, a silent, profoundly disturbed little six-year-old girl, touched millions. From every corner of the world came letters from readers wanting to know more about the troubled child who had come into Torey Hayden's class as a "hopeless case," and emerged as the very symbol of eternal hope within the human spirit. Now, for all those who have never forgotten this endearing child and her remarkable relationship with her teacher, here is the surprising continuation of Sheila's story. " -- Cover.

One Child Jan 18 2023 "It has been a long time since you have read a book with the sheer emotional impact of *One Child*." --New York Times The true story of a tormented six-year-old and the brilliant teacher who reached out. Six-year-old Sheila never spoke, she never cried, and her eyes were filled with hate. Abandoned on a highway by her mother, unwanted by her alcoholic father, Sheila was placed in a class for emotionally disturbed children after she committed an atrocious act of violence against another child. Everyone said Sheila was lost forever, everyone except her teacher, Torey Hayden. Torey fought to reach Sheila, to bring the abused child back from her secret nightmare, because beneath the rage, Torey saw in Sheila the spark of genius. And together they embarked on a wondrous journey--a journey gleaming with a child's joy at discovering a world filled with love and a journey sustained by a young teacher's inspiring bravery and devotion.
