A Really Cool Notebook/Journal For Women And Girls. Features : 6x9 inches Matte Finish Cover 110 Blank Lined Pages High Quality Interior With Days With "This Notebook Belongs To" 1st Page This really does make an excellent gift, perfect for Christmas, Birthdays or any special occasion! In *Seeing in the Dark*, a poetic love letter to science and to the skies, Timothy Ferris invites us all to become stargazers. He recounts his own experiences as an enthralled lifelong amateur astronomer and reports from around the globe -- from England and Italy to the Florida Keys and the Chilean Andes -- on the revolution that's putting millions in touch with the night sky. In addition, Ferris offers an authoritative and engaging report on what's out there to be seen -- what Saturn, the Ring nebula, the Silver Coin galaxy, and the Virgo supercluster really are and how to find them. The appendix includes star charts, observing lists, and a guide on how to get involved in astronomy. Ferris takes us inside a major revolution sweeping astronomy, as lone amateur astronomers, in global networks linked by the Internet, make important discoveries that are the envy of the professionals. His ability to describe the wonders of the universe is simply magical, and his enthusiasm for his subject is irresistible. *The Wish List* is a quirky little gift book that sounds an irresistible call to get out there and start living. In the same chunky format as the author's bestselling *14,000 Things to Be Happy About*, *The Wish List* presents a compulsively readable list of

unexpected goals. There are wishes large--retrace Odysseus' route around the Mediterranean--and wishes small--find a genuine arrowhead. There are artistic wishes--write a sonnet. Athletic wishes--learn to box. Practical wishes--master the rudiments of plumbing. Whimsical wishes--become a taster at Ben & Jerry's. And fantasy wishes--live in a Venetian palazzo. The Wish List is meant to plant seeds, jog us out of complacency, and articulate unspoken desires. 63,000 copies in print. A supplemental text for courses on Interest Groups, American Political Parties, Campaigns and Elections, and Women and Politics, and other Women's Studies courses. Filling the gap in knowledge about women's political action committees (PACs), this useful text examines the attitudes, priorities, and motivations of individuals who contribute significant amounts of money to the political scene. The three PACs examined are EMILY's List (supporting Democratic pro-choice women candidates); the WISH List (supporting Republican pro-choice women candidates); and the Susan B. Anthony List (supporting pro-life women candidates and pro-life men opposing pro-choice women candidates). Based on survey data as well as face-to-face interviews, this book shows how PACs have narrowed the gender gap in U.S. electoral politics. Does life continue after death? Will we ever be reunited with loved ones? Does love ever die? Heartfelt testimony to the eternal nature of the human spirit can be found in this collection of eighty-eight true stories from people who have seen, heard, and felt love from their family, friends, and acquaintances in spirit. The author, a hospice nurse, shares the wisdom she has gained from nearly twenty years of working with the dying and bereaved. Told with courage and warmth, these vivid firsthand accounts—of receiving signs, messages, and even hugs from family members who have crossed over; encounters with angels; near-death experiences; and visits from the spirits of beloved pets—offer hope, reassurance, and comfort to anyone who is mourning a lost loved one or has ever wondered if life goes on. Praise: "Miraculous Moments will help many who need reassurance that life is a circle and the best is yet to come."—Louis E. LaGrand, PhD, CT, Bereavement Counselor and author of *Love Lives On* and *Messages and Miracles* "The personal stories are well written and sincere. Very compelling."— Robert D. Lessle, MD, Author of *Angels in the ER* "Miraculous Moments is such a beautiful and easy read, but one that asks you to sit quietly, to breathe in the Spirit of each encounter with God and then to meditate on its message for a good long while. This is not a book that one reads only once, or all at once, but rather one that draws us back, time and again, for the nourishment it offers through each and every story. The all powerful, all loving, infinite Creator of the Universe makes His presence known in the most simple and exquisite ways, over and over again throughout *Miraculous Moments*. He remains gently hidden in a flower, a chance meeting, a beautiful sunset and the heartfelt language of love, spoken between friends."— Trudy Harris, RN, Author of *Glimpses of Heaven: True Stories of Hope and Peace at the ENd of Life's Journey* "Not only does this book offer hope and consolation for the grieving, it provokes thought on the finality of death as society generally views it."—Library Journal Thirteen-year-old Robert "Qwerty" Stevens uses the time machine he finds in his back yard to visit Thomas Edison's workshop in 1879, and there helps develop the electric light bulb, but then needs his sister's help to return to his own time. Tom Cade died a warrior's death on the battlefield. In his passing, he leaves those he loves to begin new journeys of faith and love. Faith, Jason, Dale, and Troy all discover that one person's death is often another

person's journey of life. All Your Lists in One Place! Are you a list maker? Do you have lists everywhere? If you want ONE place for all of your lists, this journal is for you! Have lists your way! The Adventure Continues picks up from the first book in the series, *Waking Up in a Different Time*. In part two, the reader finds Bill and Barbara Kelly getting settled in their new home in suburban Richmond, Virginia. The move from Chicago was a result of Bill's promotion to corporate vice-president with Bracken Metals Inc., a large aluminum manufacturer with facilities all over the country. Since moving to Richmond, Bill travels a good part of the time, with his executive assistant, Corrina. Barb finds herself without a job for the first time in her married life, but is keeping busy with her new interest, flying lessons, and managing their new house. So, while Bill travels across the country with his stunning secretary, Barb takes flying lessons, oblivious to the growing relationship between her husband and his assistant. Will Bill resist temptation? Is Corrina using Bill to climb the corporate ladder? Will Barb find out about Bill's extramarital affair? Let's see how it all turns out, shall we? FROM BEST-SELLING AUTHORS TRAVIS S. TAYLOR AND JODY LYNN NYE. A teenage girl and her fellow Bright Sparks must do what it takes to stay alive and achieve success in this sequel to *Moon Beam*. Barbara Winton and the rest of the Bright Sparks, Dr. Keegan Bright's team of young scientists, find themselves facing a challenge that will test all of their scientific skills and personal courage. They are competing in the first ever race to completely circle the Moon. The Sparks, and twenty-five other teams, have to count on one another as they face thousands of kilometers of unknown dangers, where even a simple accident can have fatal consequences. They form close friendships with racers from all over Earth, but also have to deal with former Spark, Pam, a mysterious and threatening figure whose departure from the Sparks program is shrouded in mystery. While the Sparks compete in the race, Dr. Bright himself is part of a groundbreaking project to seek out rare minerals underneath a crater. On the far side of the Moon, in the airless, frozen depths beneath the lunar surface, disaster strikes. On the thinly settled Moon only the Bright Sparks may be close enough help him. The young scientist find themselves not only racing for victory, but to save their beloved mentor. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for prequel *Moon Beam*: "Taylor and Nye offer up a tense escapade with engaging characters and a fast-paced plot, but their true focus is on scientific detail, plausibility, and ingenuity . . . it's an entertaining and even educational offering, perfect for those who demand science in their science fiction."—Publishers Weekly Praise for the work of Jody Lynn Nye: "Infused with humor to keep you entertained and action to make you turn the pages."—Kirkus on Jody Lynn Nye's *Rhythm of the Imperium* "I thoroughly enjoyed it, the plot, the settlement, the whole nine yards, and especially the twitch of humor at odd moments...a book I can thoroughly recommend." —Anne McCaffrey "An unusual story well-told, with characters it's a real pleasure to spend time with." —David Drake "[An] innovative take on the well-loved theme of fairies and dangerous wishes." —Publishers Weekly on *Wishing on a Star* by Jody Lynn Nye and Angelina Adams About Travis S. Taylor: "[E]xplodes with inventive action.—Publishers Weekly on Travis S. Taylor's *The Quantum Connection*. "[Warp Speed] reads like Doc Smith writing Robert Ludlum. . . You won't want to put it down"—John Ringo This book will be a good tool in planning and implementing plans for school improvement and continued student growth. The fourth edition of *Gender and Elections* offers a systematic, lively, multi-faceted account of the role of gender in the

electoral process through the 2016 elections. This timely, yet enduring, volume strikes a balance between highlighting the most important development for women as voters and candidates in the 2016 elections and providing a more long-term, in-depth analysis of the ways in which gender has helped shape the contours and outcomes of electoral politics in the United States. Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections, presidential and vice-presidential candidacies, voter participation and turnout, voting choices, congressional elections, the political involvement of Latinas, the participation of African American women, the support of political parties and women's organizations, candidate communications with voters, and state elections. Without question, *Gender and Elections* is the most comprehensive, reliable, and trustworthy resource on the role of gender in electoral politics.

Funny. Fearless.

"It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers.

"It's a piece of garbage" --Donald Trump.

A marriage of convenience is the perfect plan for New York museum curator Sydney Wainsbrook and Texas rancher Cole Erickson. It's a business transaction that will save her career and safeguard his family's traditions. After all, how hard can it be for Sydney to pretend to be in love with a sexy and charismatic cowboy? And Cole sure won't mind sharing his time--and maybe his bed?--with a fiery redhead from the city. So what if they're complete strangers? So what if she's only interested in borrowing his family's heirloom jewel, the Thunderbolt of Texas? So what if they discover a secret that could blow the whole scheme apart? And what would happen if they actually managed to inconveniently fall for one another? She's in a race to uncover the secrets and solve the murders before the desperate killer murders her.

KAREN O'BRIEN is puzzled by the secrets of a respected, longtime resident of Asbury. How many secret partners can any one person have? And when one of the partners and then another is murdered, Karen is convinced the killer must have been one of the other partners, but which one? And why? The Donut Lady asks too many questions and uncovers too many secrets. She's in the killer's crosshairs. A cozy culinary mystery sprinkled with a smidgen of paranormal.

This book examines how women candidates, voters, and office holders shape U.S. political processes and institutions, lending their perspectives to gradually evolve American life and values. • Presents up-to-date encyclopedic coverage of a subject of great importance: women's progress in closing the gender gap in political power • Provides valuable context and illuminates specific areas of women's involvement in politics—for example, women as voters and women as local/state officeholders—in a nonpartisan way • Offers both historical and current primary documents on the evolution of women in politics Shows how death education can be brought from the healing professions to the literature classroom. This open access book attempts to show that an examination of the list's formal features has the potential to produce genuine insights into the production of knowledge, the poetics of literature and the composition of visual art. Following a conceptual introduction, the twelve single-authored chapters place the list in a variety of well-researched contexts, including ancient Roman historiography, medieval painting, Enlightenment periodicals, nineteenth-century botanical geography, American Beat poetry and contemporary photobooks. With its interdisciplinary approach, this book is a unique contribution to an emerging field dedicated to the study of lists. 4,000 ways to achieve instant intimacy What, more than anything, makes you angry? Who were your childhood idols? What kind of leader are you most inclined to follow? What has happened to the art of conversation? In the age of Internet chat rooms, speed dating, and frantic text messaging, have we forgotten how to meaningfully connect? This book of 4,000 provocative questions will help you get to know anyone and everyone in every social situation. Use it to go beyond small talk at parties, networking events, dates, dinner tables, and road trips. It's for getting to know someone you just met and learning a lot more about someone you thought you already knew (who may be yourself). •A perfect social tool for the Internet generation •Features thematic sections on lifestyle choices, pastimes, politics, family, and more •A resource for self-discovery and for journalists and writers doing interviews and developing characters, plots, and story lines Kristin Montgomery is more than a little shocked when her aunts inform her they're fairy godmothers. Worse, after dropping that bombshell they hand her a wand and head off on a world cruise. Now Kristin's uncomplicated life as a CPA in San Diego has disappeared like magic and she not only has to deal with her burgeoning magical powers, but also a reluctant—and distractingly sexy—magical arbiter. Tennyson Ritter is a historian. A scholar by choice, he is yanked from his studies to act as arbiter for the newly chosen fairy godmother. He doesn't want to waste his time with a woman who doesn't know anything about magic or the magical world, but soon the beguiling Kristin draws him away from his books and into her life. But before Kristin can hone her skills and pass the tests necessary to fully claim her powers, she and Tennyson must work together to defend the world – both magical and human – against those that would claim her powers for their own. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
